

TOWN OF SWAMPSCOTT

1952 *Annual Report*

SWAMPSCOTT LIBRARY ASSOCIATION --- FOUNDED 1853

ONE HUNDRED and FIRST YEAR

SWAMPSCOTT LIBRARY ASSOCIATION,

*At a town meeting, held Oct. 9, 1852, by adjournment from
the 25th of September, 1852, it was*

Voted, that we accept the proposition made by a gentleman from out of the town, respecting the establishment of a Public Library, and that the selectmen proceed to appoint all suitable officers,—to wit: President, Clerk, Librarian, Collector, and Treasurer, whose duty it shall be to provide a suitable place for the safe keeping of said Library, receive all donations, and report of their proceedings at some future meeting.

In accordance with the vote of town, in town meeting, held October 9th, 1852, the selectmen would appoint, for officers of the Library, the following named gentlemen:

J. B. CLARK, *President.*

H. H. HALL, *Secretary.*

EBENEZER WEEKS, *Treasurer.*

J. L. SEGER, *Collector.*

D. H. MILLETT, *Librarian.*

Signed, SAM'L C. PITMAN, EBEN. B. PHILLIPS, HENRY J. THING, } Selectmen of Swampscott.

A true Copy of Record,

Attest,

J. L. SEGER, TOWN CLERK.

Town of SWAMPSCOTT

Massachusetts

1952

ANNUAL

REPORT

Under direction of your Board of Selectmen we have endeavored to present in brief, readable form the essential facts regarding the activities of your town government during the year 1952. Your comments and suggestions on this new edition are invited. It is our hope that a permanent committee will be continued to carry on the purpose for which this committee was organized.

"View of Town Administration Building during Centennial Week"

Board of Selectmen

FREDERICK R. CHAMPION, *Chairman*

ANDREW R. LINSCOTT

RALPH I. LINDSEY

The Board of Selectmen submits its report for the Centennial Year. Swampscott's successful Centennial Celebration is covered in detail in the report of the Centennial Committee. Our proclamation for the occasion is printed herewith:

"WHEREAS on May 21, 1852 by enactment of the Legislature of the Commonwealth of Massachusetts, the Town of Swampscott was incorporated and established as a municipality, with the right in its citizens to govern their own public affairs through their own locally elected officials and that most democratic of institutions, the New England Town Meeting, and

"WHEREAS the period from June 14th through June 21st 1952 has been officially decreed Centennial Week in the Town of Swampscott to be devoted to the celebration of the one hundredth anniversary of our Town's incorporation, and

"WHEREAS during this one hundred years the Town has developed, prospered and flowered as a true New England community and its people have enjoyed the traditional democratic principles of government and of individual liberty for which our country is known and respected, and

"WHEREAS through the blessing of the Almighty God the Town has been singularly fortunate both in having its townspeople continuously interested in and active in its welfare as a community, and in its location on a part of the Atlantic Coast noted for its great natural beauty, and

"WHEREAS during the one hundred years the inhabitants of the Town of Swampscott have accounted for themselves well and proudly in peace, and given of themselves unselfishly in war

"NOW THEREFORE, we the Selectmen of Swampscott do hereby proclaim a week of public observance of the Centennial of Swampscott, commencing June 14th and ending June 21st, 1952.

"We urge each and every man, woman and child of Swampscott to cooperate in the observance of the Centennial Week.

"We ask the townspeople to take this occasion to venerate the memory of the people who have lived and died here before us, from whose hands we have received our corporate existence and to rededicate themselves to the American principles which have made our community what it is today."

This year we reviewed the precinct boundaries and redistricted the Town. No change had been made since 1932. The precincts had become disproportionate in size and the Town meeting had not been representative for many years. Starting at the 1953 Town election, there will be six precincts and 324 Town meeting members elected. The number of precincts has no relationship to the number of Town meeting members. In other words, whether we continued with eight precincts

Town of Swampscott

or increased to as high as twelve precincts, the total Town meeting membership must be 324. We are confident that there is enough interest in the Town and representative Town meeting form of government to secure the election of this number of Town meeting members. We feel that recourse to referenda, which has become frequent in the last few years, will be eliminated by the increased Town meeting membership. We appreciated the help of Mr. Malcolm F. MacLean, Jr., in the redistricting work.

On Memorial Day we named and dedicated the junction of Humphrey Street, Puritan Road, and Atlantic Avenue, as "Brine Square." This is a memorial to Lt. Robert J. Brine and Lt. William C. Brine, brothers and Swampscott residents who were killed in action in World War II. The memorial was suggested by the Director of Veterans' Services, Newton S. Courtney and approved by the veterans' organizations.

On May 15 we recorded our opposition to the Lynnway Extension, so-called. Although we realize that a new road from the vicinity of General Edwards Bridge to the Lynn boulevard may be an asset to Greater Lynn, it seems evident that a great deal more traffic will come into the center of the Town. It was our suggestion that a rotary be made at the ocean side of Eastern Avenue, and traffic rerouted to Route 1A.

Contributory Retirement System

JOHN G. MCLEARN, *Chairman*

THOMAS F. COLLINS

I. MURRAY ADAMS, *Secretary*

There are 141 members of the Retirement System, and 19 are receiving pensions. Membership is growing as all new employees must join the system. Income from investments and deductions from employees' salaries are sufficient to pay administrative costs and pensions. The money contributed by the town is invested each year as soon as received. Total amount invested to date is \$185,763.00.

Total pension payments are \$25,903.00 and of this sum \$405.00 a month is paid to widows whose husbands were killed in the line of duty.

On file at this office is a financial statement which may be examined by members.

Town Clerk

MALCOLM F. MACLEAN, JR., *Town Clerk*

SPECIAL TOWN MEETING

Tuesday, January 15, 1952

Article 1. To see if the Town will vote to rescind its action taken at the Special Town Meeting held on Tuesday, December 4, 1951 under Article 1 of the Warrant for the said meeting whereby it was voted as follows:

"Voted Article 1. That the Town authorize the Board of Selectmen to purchase or take by eminent domain for public school purposes the land as described in this Article and that the sum of \$8,000.00 be appropriated therefore from the Excess and Deficiency Fund. For: 77, Against: 12."

Petitioned for by more than 200 registered voters.

Article 2. To see if the Town will vote to rescind its action taken at the Special Town Meeting held on Tuesday, December 4, 1951 under Article 2 of the Warrant for the said meeting whereby it was voted as follows:

"Voted Article 2. That the Town authorize the School Committee to engage an architect and enter into a contract with said architect to prepare detailed working plans, drawings and specifications and determine the approximate cost thereof for the construction of an addition to the present Stanley School and that the sum of \$25,000.00 be appropriated therefor from the Excess and Deficiency Fund. Unanimous."

Petitioned for by more than 200 registered voters.

Article 3. To see if the Town will vote to rescind its action taken at the Special Town Meeting held on Tuesday, December 4, 1951 under Article 3 of the Warrant for the said meeting whereby it was voted as follows:

"Voted Article 3. That this article be adopted; That the Town authorize and direct the Selectmen to petition the legislature for authority to borrow the sum of \$500,000.00 outside the debt limit for school purposes."

Petitioned for by more than 200 registered voters.

Article 4. To see if the Town will vote to rescind its action taken at the Special Town Meeting held on Tuesday, December 4, 1951 under Article 4 of the Warrant for the said meeting whereby it was voted as follows:

"Voted Article 4. That the Water and Sewerage Board is hereby authorized and directed to repair and re-lay the drain located in the rear of the New Ocean House property and that the sum of one hundred thousand (\$100,000.00) dollars be appropriated therefor, to be raised as follows:

"That ten thousand (\$10,000.00) dollars be appropriated from the Excess and Deficiency Fund and that the Treasurer, with the approval of the Board of Selectmen, be authorized to borrow a sum not to exceed the remainder; viz., ninety thousand (\$90,000.00) dollars; and to issue bonds or notes of the Town therefor payable in accordance with the provisions of Chapter 44 of the General Laws (Ter. Cent. Ed.) so that the whole loan shall be paid in not more than ten (10)

Town of Swampscott

years from the date of issuance of the first bond or note or such earlier dates as the Treasurer, with the approval of the Board of Selectmen may determine. Unanimous."

Petitioned for by more than 200 registered voters.

SPECIAL TOWN MEETING

Tuesday, January 15, 1952

In accordance with the warrant the Town Meeting Members assembled at the Hadley School, and were called to order by the Moderator, Vincent P. O'Brien at 7:48 P.M. the necessary quorum being present (96).

The warrant with the return thereon was read by Malcolm F. MacLean, Jr., Town Clerk.

Voted Article 1. That the Town not rescind the action taken at the Special Town Meeting held on Tuesday, December 4, 1951 under Article 1 of the Warrant for the said meeting.

Voted Article 2. That the Town not rescind the action taken at the Special Town Meeting held on Tuesday, December 4, 1951 under Article 2 of the Warrant for the said meeting.

Voted Article 3. That the Town not rescind the action taken at the Special Town Meeting held on Tuesday, December 4, 1951 under Article 3 of the Warrant for the said meeting.

Voted Article 4. That the Town not rescind the action taken at the Special Town Meeting held on Tuesday, December 4, 1951 under Article 4 of the Warrant for the said meeting.

WARRANT FOR SPECIAL TOWN ELECTION

Tuesday, February 5, 1952

To choose one (1) representative Town Meeting Member in Precinct Seven for one (1) year.

To choose one (1) representative Town Meeting Member in Precinct Eight for two (2) years.

And to vote on the following questions:

1952 Annual Report

Question 1. Shall the town vote to accept the provisions of Chapter 31 of the General Laws, therefor providing civil service for the non-elected official and the labor services of the Town of Swampscott?

Yes	
No	

Question 2. Shall an act passed by the General Court in the year 1951, entitled, "An Act Establishing a Town Manager Form of Government for the Town of Swampscott" be accepted by this town?

Yes	
No	

All to be voted by ballot.

Article 2. To hear and act on the reports of town officials, boards, and committees. Sponsored by the Board of Selectmen.

Article 3. To hear and act on the report of the Committee appointed to plan for the Town's observance of the one hundredth anniversary of its incorporation and to appropriate money therefor or take any action relative thereto. Sponsored by the Centennial Committee.

Article 4. To see if the town will vote to authorize the Town Treasurer, with the approval of the Selectmen, to borrow money from time to time, in anticipation of the revenue of the financial year beginning January 1, 1952, and to issue a note or notes therefor, payable within one year, and to renew any note or notes as may be given for a period of less than one year, in accordance with Section 17, Chapter 44, General Laws. Sponsored by the Board of Selectmen and Town Treasurer.

Article 5. To see if the town will vote to authorize the Town Treasurer, with the approval of the Selectmen, to borrow money from time to time, in anticipation of the revenue of the financial year beginning January 1, 1953, and to issue a note or notes therefor, payable within one year, and to renew any note or notes as may be given for a period of less than one year, in accordance with Section 17, Chapter 44, General Laws. Sponsored by the Board of Selectmen and Town Treasurer.

Article 6. To see what action the town will take in relation to the recommendations calling for the appropriation or expenditures of money, and creation of a debt, or the disposition of town property, as set forth in the report of officers, boards or committees. Sponsored by the Board of Selectmen.

Article 7. To see if the town will vote to increase the salaries of all permanent employees of the various departments except employees of the Police, Fire and School departments in the amount of \$520 per year, and appropriate the necessary money therefor or take any action relative thereto. Sponsored by the Employees' Wage Committee, John G. McLearn, Chairman.

Article 8. To see if the town will vote to grant an increase in annual salary to the members of the Police Department effective as of January 1, 1952 equal to 20 percent of their present annual salary and appropriate the necessary money therefor or take any action relative thereto. Petitioned for by Thomas F. Collins et al.

Town of Swampscott

Article 9. To see if the town will vote to grant a 15 percent increase in salaries for the permanent members of the Fire Department retroactive to January 1, 1952 and appropriate the necessary money therefor or take any action relative thereto. Petitioned for by Roy F. Olson et al.

Article 10. To see what action the town will take in relation to the appropriation of money for departmental and other expenses, as listed in the budget in the Selectmen's report of the annual town report for the year 1951. Sponsored by the Board of Selectmen.

Article 11. To see what action the town will take in relation to salaries of elected town officials for the ensuing year. Sponsored by the Board of Selectmen.

Article 12. To see if the town will authorize the Board of Public Welfare to appoint one of its own members as agent and fix the salary of such appointee at \$572.00 as provided by Chapter 41, Section 4A of the General Laws (Ter. Ed.). Sponsored by the Board of Public Welfare.

Article 13. To see if the town will authorize the Bureau of Old Age Assistance to appoint one of its own members as agent and fix the salary of such appointee at \$3,028.00 as provided by Chapter 41, Section 4A of the General Laws (Ter. Ed.). Sponsored by the Bureau of Old Age Assistance.

Article 14. To see if the town will authorize the Board of Assessors, the Board of Park Commissioners and the Planning Board each, to appoint a member of such boards to act as secretary thereof and receive pay therefor, as provided by Chapter 41, Section 4A of the General Laws (Ter Ed.). Sponsored by the Board of Assessors, the Board of Park Commissioners and the Planning Board.

Article 15. To see if the town will vote to appropriate a sum of money to the account of unpaid bills for the purpose of settling all bills contracted prior to January 1, 1952 and remaining unpaid at the time of the closing of the town's books for the year 1951 according to the records of the Town Accountant. Sponsored by the Board of Selectmen.

Article 16. To see if the town will vote to transfer from the Excess and Deficiency Fund of the town to the account of Current Revenue a sum of money to be used and applied by the Board of Assessors in reduction of the tax levy, or take any action relative thereto. Sponsored by the Board of Selectmen.

Article 17. To see if the town will vote to appropriate an additional sum of money to be used with the monies appropriated under Article 4 of the Warrant of the Special Town Meeting of December 4, 1951 to carry out the purposes set forth in said Article 4 or take any action relative thereto. Sponsored by Water and Sewerage Board.

Article 18. To see if the town will vote to purchase or take by eminent domain land adjoining the Stanley School lot and on said land and on the Stanley School lot construct, originally equip and furnish an addition to the Stanley School, and appropriate the necessary money therefor by transferring from available funds, by borrowing or otherwise, or take any action relative thereto. Sponsored by the School Committee.

1952 Annual Report

Article 19. To see if the town will vote to petition the legislature to enact appropriate legislation to establish a public works department in the Town of Swampscott. Petitioned for by Charles R. Sellman, Jr., et al.

Article 20. To see if the town will vote to adopt the following by-law:

Section 1. All regular employees of the Town of Swampscott, other than those appointed by the School Committee, shall be granted an annual vacation of not less than two weeks during each year of their first ten years of continuous employment, subject to the provisions of General Laws, Chapter 41, Section III.

Section 2. All such regular employees, after ten years of continuous service, shall be granted an annual vacation of three weeks, subject to the provisions of General Laws. Chapter 41, Section 111.

Section 3. Such vacations shall be granted by the heads of the respective departments of the town at such time as in their opinion will cause the least interference with the performance of the regular work of the town.

Petitioned for by John G. McLearn et al.

Article 21. To see if the town will vote to adopt the following by-law:

Section 1. All regular employees of the town, other than those appointed by the School Committee shall be granted holiday leave without loss of pay on the following legal holidays: January 1, February 22, April 19, May 30, July 4, the first Monday of September, October 12, November 11, Thanksgiving Day and Christmas Day, or on the day following when any of the five days mentioned or October 12, November 11 or Christmas Day occurs on Sunday.

Sponsored by the Board of Selectmen.

Article 22. To see if the town will vote to accept Chapter 147, Section 16C of the General Laws, as amended as Chapter 346, Acts of 1951, which provides that members of the Police Department shall be excused from duty two days out of every seven without loss of pay. Sponsored by the Board of Selectmen.

Article 23. To see if the town will vote to appoint a committee to revise the building by-laws of the Town of Swampscott; said committee to report to the next Annual Town Meeting. Sponsored by the Planning Board.

Article 24. To see if the town will vote to authorize the Board of Selectmen to purchase or take by eminent domain for cemetery purposes the premises shown in Plate 13, Lot 2 and Plate 13, Lot 3 of the Assessors' Plans of the Town of Swampscott and appropriate the necessary money therefor or take any action relative thereto. Sponsored by the Board of Selectmen and the Superintendent of Cemetery.

Article 25. To see if the town will vote to act upon the report of the committee appointed by the Selectmen to investigate the fire whistle and appropriate the necessary money therefor. Sponsored by the Fire Whistle Committee.

Town of Swampscott

Article 26. To see if the town will vote to paint and repair the Central Fire Engine House and appropriate the sum of \$2,000.00 therefor or take any action relative thereto. Sponsored by the Board of Selectmen and Chief of the Fire Department.

Article 27. To see if the town will vote to purchase a new car for the Chief of the Fire Department and authorize him to trade or sell the present car and appropriate the sum of \$1,000.00 therefor, or take any action relative thereto. Sponsored by the Board of Selectmen and Chief of the Fire Department.

Article 28. To see if the town will vote to purchase an automobile to be used as a patrol car for the Police Department and appropriate the necessary money therefor or take any action relative thereto. Sponsored by the Board of Selectmen and Chief of Police.

Article 29. To see if the town will vote to authorize the Board of Selectmen to purchase two Jeeps to be used by the Engineering Department and appropriate the necessary money therefor or take any action relative thereto. Sponsored by the Board of Selectmen and Town Engineer.

Article 30. To see if the town will vote to lay a drain from Allen Road through Sumner Street to Hawthorne Brook, a distance of approximately 450 feet and appropriate the necessary money therefor or take any action relative thereto. Sponsored by the Surveyor of Highways.

Article 31. To see if the town will vote to authorize the Surveyor of Highways to purchase a front-end shovel loader tractor with rubber tires and appropriate the necessary money relative thereto. Sponsored by the Surveyor of Highways.

Article 32. To see if the town will vote to carry on a sidewalk construction program under the provisions of General Laws, Chapter 83, Sections 25 and 26, and appropriate the necessary money therefor or take any action relative thereto. Sponsored by the Board of Selectmen.

Article 33. To see if the town will vote to appropriate a sum of money to be used in conjunction with money appropriated by the Commonwealth of Massachusetts and the County of Essex for the repair or construction of highways as provided by Chapter 90 of the General Laws. Sponsored by the Board of Selectmen.

Article 34. To see if the town will vote to appropriate a sum of money for the proper observance of the Fourth of July or take any action relative thereto. Sponsored by the Board of Selectmen.

Article 35. To see if the town will vote to appropriate a sum of money for the proper observance of Memorial Day or take any action relative thereto. Sponsored by the Board of Selectmen.

Article 36. To see if the town will vote to appropriate a sum of money for the proper observance of Armistice Day or take any action relative thereto. Sponsored by the Board of Selectmen.

Article 37. To see if the town will vote to continue the summer recreation project and appropriate the sum of \$3,000.00 therefor or take any action relative thereto. Sponsored by the Board of Park Commissioners.

1952 Annual Report

Article 38. To see if the town will vote to repair the Fish House and appropriate the sum of \$4,500.00 therefor or take any action relative thereto. Sponsored by the Board of Park Commissioners.

Article 39. To see if the town will vote to purchase a stake body truck for tree work and appropriate the sum of \$3,700.00 therefor or take any action relative thereto. Sponsored by the Board of Park Commissioners.

Article 40. To see if the town will vote to purchase a small sidewalk roller and appropriate the sum of \$1,800.00 therefor or take any action relative thereto. Sponsored by the Board of Park Commissioners.

Article 41. To see if the town will vote to appropriate the sum of \$1,000.00 to loam, seed and fertilize a section of Phillips Park for additional play space. Sponsored by the Board of Park Commissioners.

Article 42. To see if the town will vote to authorize the Moderator to appoint a committee to investigate and study the wage scale paid to all town employees other than those filled by popular election and those under the direction and control of the School Committee with a view towards classifying said positions into groups doing substantially similar work and having substantially equal responsibilities. Said committee to use all available data including the Griffenhagen Report, and report to the next Annual Town Meeting. Sponsored by the Board of Selectmen.

Article 43. To see if the town will vote to purchase chairs for the Old Town Hall and appropriate the necessary money therefor or take any action relative thereto. Sponsored by the Board of Selectmen.

Article 44. To see if the town will vote to reimburse the Ellen Realty Company for digging and backfilling water pipe trench on Dale Street and appropriate the sum of \$236.00 therefor. Sponsored by the Water and Sewerage Board.

Article 45. To see if the town will vote to authorize and direct the Water and Sewerage Board to establish the hydrant rental charge to the Fire Department at the rate of \$10.00 per hydrant per year and appropriate the necessary money therefor or take any action relative thereto. Sponsored by the Water and Sewerage Board.

Article 46. To see if the town will vote to authorize the Water and Sewerage Board to install necessary drains and catch basins at Elmwood Road and Thomas Road, at Norfolk Avenue and Middlesex Avenue and on Burrill Street and appropriate the necessary money therefor or take any action relative thereto. Sponsored by the Water and Sewerage Board.

Article 47. To see if the town will vote to authorize the use of the land owned by the town and located as shown on Plate 11, Lots 405, 406, 407, 414, 415, 416, 417, 421, 756, 766, 767, and 768 and Plate 8, Lots 3, 5, 6, 7, 8 9 and 10 of the Assessors' plans by the Board of Health for the purpose of maintaining a sanitary land fill if, and when, they deem it necessary therefor or take any action relative thereto. Sponsored by the Board of Health.

Article 48. To see if the town will vote to extend the sewers in any or all of the following streets: Puritan Lane, Puritan Road, Winshaw Road, Laurel Road,

Town of Swampscott

Nantucket Avenue and Reid Terrace, and in any other streets or sections of the town as the Board of Health deems necessary and that the necessary money therefor be appropriated or take any action relative thereto. Sponsored by the Board of Health.

Article 49. To see if the town will vote to accept Chapter 820, Acts of 1950, providing for a \$100.00 increase to pensioners under the Contributory Retirement System and to appropriate the necessary money therefor or take any action relative thereto. Sponsored by the Contributory Retirement Board.

Article 50. To see if the town will vote to accept Chapter 781, Acts of 1951, providing increases to certain pensioners under the Contributory Retirement System and appropriate the necessary money therefor or take any action relative thereto. Sponsored by the Contributory Retirement Board.

Article 51. To see if the town will vote to authorize the Board of Selectmen to execute a new lease with the Leon E. Abbott Post No. 57 American Legion Building Association, for a term of five (5) years from April 5, 1952, and appropriate the necessary money therefor or take any action relative thereto. Petitioned for by Alfred B. Jones et al.

Article 52. To see if the town will vote to revise, codify and print the by-laws of the Town of Swampscott and appropriate the necessary money therefor or take any action relative thereto. Sponsored by the Board of Selectmen.

Article 53. To see if the town will vote to amend the zoning by-laws by including all of the premises bounded and described as follows in B-1 section, being a retail business district:

Southerly by Paradise Road, 125 feet;

Westerly by land now or formerly of Young 58.19 feet;

Northwesterly in 3 courses by land now or formerly of Young 77.86 feet; 47.47 feet; and 12.76 feet; and

Easterly by land of Eldridge T. Davis, et ux 132.66 feet; containing 11,400 square feet more or less.

Petitioned for by Harold F. Carlson et al.

Article 54. To see if the town will vote to amend the building by-laws by adding thereto the following section:

Article III, Section 5A: The slope of any garage driveway shall not be greater than one percent (1%) for a distance of ten (10) feet from the sideline of a private or public way. The intersection of the driveway and the sideline shall meet the elevation as approved by the Planning Board of the Town of Swampscott or the elevation as shown on the Town Plans of Accepted Streets.

Sponsored by the Board of Selectmen, Town Engineer, and Building Inspector.

Article 55. To see if the town will vote to amend the zoning by-laws by adding thereto the following section:

Article 6, Section 7: No member of the Board of Appeals shall act in any case in which he is interested and in case any member is so disqualified, or is absent because of illness or other cause, an associate member shall act in case of such vacancy, inability to act, or interest on the part of a member of

1952 Annual Report

said Board. The Board of Selectmen shall designate and appoint two such associate members of the Board of Appeals who shall act in the manner prescribed by General Laws, Chapter 40, Section 30.

Sponsored by the Board of Selectmen.

Article 56. To see if the voters of the town, by ballot, will vote to amend the by-laws of the Town of Swampscott by adding to Chapter II-“A” thereof the following section:

Section 2. No article which may, in the opinion of the Finance Committee, require an appropriation in excess of the sum of Fifty Thousand Dollars shall be acted upon by the Town Meeting Members, but shall be acted upon by ballot by the registered voters of the Town in their respective precincts. This provision shall not apply to the annual budget submitted by any department.

Petitioned for by James W. Buchanan et al.

Article 57. To see if the voters of the town, by ballot, will vote to amend the by-laws of the Town of Swampscott by adding to Chapter II-“A” thereof the following section:

Section 2. No article which may, in the opinion of the Finance Committee, require an appropriation in excess of the sum of One Hundred Thousand Dollars shall be acted upon by the Town Meeting members, but shall be acted upon by ballot by the registered voters of the town in their respective precincts.

This provision shall not apply to the annual budget submitted by any department.

Petitioned for by Robert B. Hegarty et al.

Article 58. To see if the Town will vote to amend the plumbing by-laws of the Town of Swampscott by striking out all provisions of the plumbing by-laws, and amendments thereto now in force and effect, in the Town of Swampscott and adopt in their place a new plumbing by-law as prepared by the committee appointed by the vote under Article 30 of the Warrant for the Annual Town Meeting of 1951. Sponsored by the Committee Appointed to Study, Revise and Submit a New Plumbing Code.

Article 59. To see if the town will vote to adopt the following by-law: Chapter IIA, Section 2 — All petitions for the laying out and acceptance of public ways shall be filed with the Board of Selectmen on or before the first Thursday of November preceding the Annual Town Meeting. Sponsored by the Board of Selectmen.

Article 60. To see if the town will vote to install curbstones at the corners at the Essex Street Bridge and at the southerly corners of Buena Vista Street and Burpee Road and appropriate the necessary money therefor or take any action relative thereto. Petitioned for by I. Murray Adams et al.

Article 61. To see if the town will vote to enclose Hawthorne Brook, so-called, with a reinforced concrete culvert on condition that all abutters sign the necessary waivers, and appropriate the necessary money therefor or take any action relative thereto. Petitioned for by Maurice Klein et al.

Town of Swampscott

Article 62. To see if the town will vote to resurface Essex Street from Jackson Park to the end of the Swampscott Cemetery and appropriate the necessary money therefor or take any action relative thereto. Sponsored by the Upper Swampscott Improvement Association, Eldridge T. Davis, President.

Article 63. To see if the town will vote to resurface the remainder of the accepted portion of Eureka Avenue and appropriate the necessary money therefor or take any action relative thereto. Sponsored by the Upper Swampscott Improvement Association, Eldridge T. Davis, President.

Article 64. To see if the town will vote to appropriate a sum of money for the purpose of placing lights and other decorations on Humphrey Street during the 1952 Christmas season or take any action relative thereto. Sponsored by the Swampscott Business Men's Association, Carl R. Perry, Corresponding Secretary.

Article 65. To see if the town will vote to authorize the Board of Selectmen to appoint a committee to study the parking situation in the Humphrey Street business area of Swampscott, said committee to submit its report and recommendations to the next Annual Town Meeting. Petitioned for by Cynthia B. Sargent et al.

Article 66. To see if the town will vote to accept Deer Cove Road as a public way as laid out by the Selectmen in accordance with the plans drawn by Howard L. Hamill, Town Engineer, on condition that all abutters sign the necessary waivers. Petitioned for by Newton S. Courtney et al.

Article 67. To see if the town will vote to accept Brown Road as a public way as laid out by the Selectmen in accordance with the plans drawn by Harold L. Hamill, Town Engineer, on condition that all abutters sign the necessary waivers. Petitioned for by Imogen G. Morrison et al.

Article 68. To see if the town will vote to accept Linden Avenue from Salem Street to Stanley Road as a public way as laid out by the Selectmen in accordance with the plans drawn by Howard L. Hamill, Town Engineer, on condition that all abutters sign the necessary waivers. Petitioned for by Sidney Stamell et al.

Article 69. To see if the town will vote to accept the balance of Stanley Road as a public way as laid out by the Selectmen in accordance with the plans drawn by Howard L. Hamill, Town Engineer, on condition that all the abutters sign the necessary waivers. Petitioned for by the Ellen Realty Corp.

Article 70. To see if the town will vote to accept Dale Street from Sumner Street to Linden Avenue as a public way as laid out by the Selectmen in accordance with the plans drawn by Howard L. Hamill, Town Engineer, on condition that all abutters sign the necessary waivers. Petitioned for by Lilly Brown et al.

Article 71. To see if the town will vote to accept Sherwood Road from Forest Avenue to the line of its present acceptance as a public way as laid out by the Selectmen in accordance with the plans drawn by Howard L. Hamill, Town Engineer, on condition that all the abutters sign the necessary waivers. Petitioned for by Morris Rosenthal et al.

Article 72. To see if the town will vote to accept Pine Hill Road as a public way as laid out by the Selectmen in accordance with the plans drawn by Howard L. Hamill, Town Engineer, on condition that all abutters sign the necessary waivers. Petitioned for by Leon Glosband et al.

1952 Annual Report

Article 73. To see if the town will vote to accept Nason Road from the present point of acceptance to the westerly boundary of Laurel Road as a public way as laid out by the Selectmen in accordance with the plans drawn by Howard L. Hamill, Town Engineer, on condition that all the abutters sign the necessary waivers. Petitioned for by Robert M. Rose et al.

Article 74. To see if the town will accept Laurel Road from Nason Road to Forest Avenue as a public way as laid out by the Selectmen in accordance with the plans drawn by Howard L. Hamill, Town Engineer, on condition that all the abutters sign the necessary waivers. Petitioned for by Elinor B. Rose et al.

Article 75. To see if the town will vote to accept an extension of 300 feet of Lewis Road as a public way as laid out by the Selectmen in accordance with the plans drawn by Howard L. Hamill, Town Engineer, on condition that all the abutters sign the necessary waivers. Petitioned for by Francis M. Kirkpatrick et al.

Article 76. To see if the town will vote to accept Brewster Terrace as a public way as laid out by the Selectmen in accordance with the plans drawn by Howard L. Hamill, Town Engineer, on condition that all the abutters sign the necessary waivers. Petitioned for by Stuart W. Graham et al.

Article 77. To see if the town will vote to accept Bates Road from Muriel Road to the Ross property line as a public way as laid out by the Selectmen in accordance with the plans drawn by Howard L. Hamill, Town Engineer, on condition that all the abutters sign the necessary waivers. Petitioned for by Ellis Kalish et al.

Article 78. To see if the town will vote to authorize the Board of Selectmen to sell or otherwise dispose of Real Estate now or hereafter owned by the town and acquired through foreclosure or purchased under General Laws (Ter. Ed.), Chapter 60, as amended, for non-payment of taxes and appropriate a sum of money therefor or take any action relative thereto. Sponsored by the Board of Selectmen.

Article 79. To see what action the town will take on the matter of transferring certain unexpended balances, as shown on the books of the Town Accountant as of December 31, 1951 to the Excess and Deficiency Fund, or take any action relative thereto. Sponsored by the Board of Selectmen.

Article 80. To appropriate and raise by borrowing or otherwise, under any general or special law which authorizes the town to raise money by borrowing or otherwise, such sum or sums of money as may be necessary for any or all of the purposes mentioned in the foregoing articles. Sponsored by the Board of Selectmen.

ADJOURNED ANNUAL TOWN MEETING

Tuesday, March 25, 1952

In accordance with the adjournment of Monday, March 17, 1952, the Town Meeting Members were called to order by the Moderator, Vincent P. O'Brien, at 7:58 P.M., the necessary quorum being present (135).

Rev. Winslow F. Beckwith, Minister of the Holy Name Church, offered the following Invocation:

"Almighty God, Creator of all men, who hast given us this good land for our heritage; We humbly beseech thee that we may always prove ourselves a people mindful of Thy favor and glad to do Thy will. Bless our land with honorable industry, sound learning, and pure manners. Save us from violence, discord, and confusion; from pride and arrogancy, and from every evil way. Defend our liberties, and fashion into one united people the multitudes brought hither out of many kindreds and tongues. Endue with the spirit of wisdom those to whom in Thy

1952 Annual Report

Name we entrust the authority of government, that there may be justice and peace at home, and that, through obedience to Thy law, we may show forth Thy praise among the nations of the earth. In time of prosperity fill our hearts with thankfulness, and in the day of trouble, suffer not our trust in Thee to fail. Especially we beseech Thee that the deliberations of this Town Meeting may be wise and good in Thy sight, O Eternal God, whoever liveth and reigneth, One God, world without end. Amen."

One minutes silence was observed by the Town Meeting Members for the former Town Officers.

Town Clerk, Malcolm F. MacLean, Jr., was sworn in by A. Doris Whipple, Justice of the Peace.

Moderator, Selectmen, and other elective officers were sworn in by the Town Clerk, Malcolm F. MacLean, Jr.

The warrant with the return thereon was read by Malcolm F. MacLean, Jr., Town Clerk.

Voted: That the reading of the records of the last meeting be omitted.

Voted: Article 2. That the reports of town officials, boards and committees be accepted.

Voted: Article 3. That the report of the Committee appointed to plan for the observance of the 100th anniversary of its incorporation be accepted; that the Committee be continued and that the sum of \$15,000.00 be appropriated to cover the expenses of observing the Town's 100th Anniversary.

Voted: Article 4. That the Town authorize the Town Treasurer, with the approval of the Board of Selectmen, to borrow from time to time, in anticipation of the revenue of the financial year beginning January 1, 1952, and to issue a note or notes therefor, payable within one year, and to renew any note or notes as may be given for a period of less than one year, in accordance with Chapter 44 of the General Laws. Unanimous.

Voted: Article 5. That the Town authorize the Town Treasurer, with the approval of the Board of Selectmen, to borrow from time to time, in anticipation of the revenue of the financial year beginning January 1, 1953, and to issue a note or notes therefor, payable within one year, and to renew any note or notes as may be given for period of less than one year, in accordance with Chapter 44 of the General Laws. Unanimous.

Voted: Article 6. That action on this article be indefinitely postponed.

Voted: Article 7. That the Town grant a temporary cost of living wage increase to all permanent full-time employees of the various departments of the Town with the exception of the School Department, said increase to be in the amount of \$140.00 for the year 1952 and that the sum of \$19,460.00 be appropriated therefor.

Voted: Article 8. That the Town grant a wage adjustment increase in the annual salary of the permanent members of the Police Department in the amount of \$2.00 per week, effective April 1, 1952, and that the sum of \$1,794.00 be appropriated therefor.

"Centennial Officials occupy reviewing stand as colorful Wakefield Red Men's unit march in the parade."

1952 Annual Report

Voted: Article 9. That the Town grant a wage adjustment increase in the salaries of the permanent members of the Fire Department in the amount of \$2.00 per week, effective April 1, 1952, and that the sum of \$2,496.00 be appropriated therefor.

Voted: To dispense with the reading of Article 10.

Voted: Article 10. To accept the report of the Finance Committee, as amended and adopt their recommendations as follows:

GENERAL GOVERNMENT

Another Member 110.00	Surveyor of Highways 4,714.90
	Constable (1 of 3) 100.00

All effective from January 1, 1952. The appropriations necessary to provide for the payment of these rates are recommended in the budgets of the various departments under Article 10.

Voted Article 12. That the Town authorize the Board of Public Welfare to appoint one of its own members as agent and fix the salary of such appointee at \$572.00 as provided by Section 4-A, Chapter 41, General Laws. The appropriation to pay this salary has been recommended under Article 10.

Voted Article 13. That the Town authorize the Bureau of Old Age Assistance to appoint one of its own members as agent and fix the salary of such appointee at \$3,028.00 as provided by Section 4-A, Chapter 41, General Laws and that the said \$3,028.00 be appropriated as follows: \$1,000.00 from the U. S. Grant O.A.A. Administration and \$2,028.00 from the tax levy which has been recommended under Article 10.

Voted Article 14. That the Town authorize the Board of Assessors, the Board of Park Commissioners and the Planning Board each to appoint a member of such board to act as secretary thereof and that the salary of such incumbents be fixed at \$50.00 each per year, as provided by Section 4-A, Chapter 41, General Laws. The appropriations necessary to pay these salaries have been provided for under Article 10.

Voted Article 15. That the Town appropriate the sum of \$574.24 to the account of Unpaid Bills for the purpose of settling all bills contracted prior to January 1, 1952 and remaining unpaid at the time of closing of the Town's books for the year 1951, according to the records of the Town Accountant in conformity with the provisions of Section 64, Chapter 44, General Laws. The unpaid bills are as follows:

Collector of Taxes Others	\$191.50
Police Dept. Others	60.50
Veteran's Services Others	15.35
Lighting Streets	306.89
	<hr/>
	\$574.24 Unanimous

Voted Article 16. That the Town transfer from the Excess and Deficiency Fund Account to the Current Revenue Account the sum of \$150,000.00, said sum to be used and applied by the Board of Assessors in reduction of the Tax Levy for the year 1952.

Voted Article 17. That the Town appropriate the sum of \$4,200.00 to be used with the monies appropriated under Article 4 of the Warrant of the Special Town Meeting of December 4, 1951, to carry out the purposes set forth in said Article 4. (This article covers additional monies to supplement the \$100,000.00

Town of Swampscott

appropriated at the Special Town Meeting of December 4, 1951 for constructing drain culverts on the New Ocean House property.

Voted Article 18. That the Town authorize the Board of Selectmen to purchase or take by eminent domain for public school purposes the land hereinafter described and on said land and on the Stanley School lot, the Town construct and originally equip and furnish an addition to the present Stanley School building; and that the sum of \$460,000.00 be appropriated for acquiring said land and constructing and equipping said addition to be raised as follows:

That \$10,000.00 be raised and appropriated from the tax levy of the current year and that the Treasurer, with the approval of the Board of Selectmen, be authorized to borrow a sum not to exceed the remainder; viz., \$450,000.00; and to issue bonds or notes of the Town therefor payable in accordance with the provisions of Chapter 44 of the General Laws so that the whole loan shall be paid in not more than twenty years from the date of issuance of the first bond or note or such earlier dates as the Treasurer, with the approval of the Board of Selectmen, may determine.

Said school building shall be constructed by a committee to be composed of the Chairman of the Finance Committee and two members of the School Committee and two citizens to be appointed by the Moderator, said Committee to be known as the Stanley School Building Committee, which committee shall have the power to engage an architect, enter into contracts and do all things necessary to complete, equip and furnish said addition to the Stanley School.

The land to be taken for the above purposes is bounded and described as follows:

Beginning at the Southerly end of Whitman Road at the intersection of the Westerly side line of Whitman Road and the Northerly side line of Forest Avenue, a private way; thence running Northeast along the Westerly side line of Whitman Road for a distance of three hundred sixty-six and seven one-hundredths (366.07) feet, thence curving to the East with a radius of one hundred and thirty-eight one hundredths (100.38) feet, for a distance of sixty-three and nine one-hundredths (63.09) feet, to the Southwest corner of land owned now or formerly by Morris and Lillian Block; then running Northwest by land owned, now or formerly by Morris and Lillian Block, land of the Town of Swampscott and land now or formerly of Charlotte B. Galpert, for a distance of about three hundred and thirty-three (333.00) feet, plus or minus to the intersection of the Southwest corner of land owned now or formerly by Charlotte B. Galpert and the Easterly side line of Cedar Road; thence curving Southwesterly with a radius of about twenty-four hundred and fifty-three (2453.00) feet, for a distance of about two hundred (200) feet, plus or minus; thence running Southwest for a distance of about two hundred and seventy-five (275.00) feet, plus or minus, to the Northerly side line of Forest Avenue; thence running Southeast along the Northerly side line of Forest Avenue for a distance of three hundred and twenty (320.00) feet to the point of beginning.

The above described parcel be the easterly portion of Lot E as shown on Plate 22 of the Assessors Plans of the Town of Swampscott and contains about 3.33/100 acres. For: 124, Against, 2. The Planning Board made their report.

Voted: To adjourn until Wednesday, March 26, 1952 at 7:45 P.M. at the Hadley School Hall.

ADJOURNED ANNUAL TOWN MEETING

Wednesday, March 26, 1952

In accordance with the adjournment of Tuesday, March 25, 1952, the Town Meeting Members were called to order by the Moderator, Vincent P. O'Brien at 8:01 P.M., the necessary quorum being present (98).

New Members were sworn in by Town Clerk Malcolm F. MacLean, Jr.

Voted: That the reading of the records of last meeting be omitted.

Voted Article 19. That the Board of Selectmen appoint a Committee of five to investigate the possibilities of a Public Works Department for the Town and the experience of other towns of the Commonwealth with such a department, review their findings with the Board of Selectmen and then report at the next Annual Town Meeting.

Voted Article 20. That action on this Article be indefinitely postponed.

Voted Article 21. That the Town adopt the following by-law:

Section 1. All regular employees of the town other than those appointed by the School Committee, the Police Department and the Fire Department, shall be granted holiday leave without loss of pay on the following legal holidays; January 1, February 22, April 19, May 30, July 4, the first Monday of September, October 12, November 11, Thanksgiving Day and Christmas Day, or on the day following when any of the five days first mentioned or October 12, November 11 or Christmas Day occurs on Sunday. Unanimous.

Voted Article 22. That the Town accept Chapter 147, Section 16-C of the General Laws as amended by Chapter 346, Acts of 1951, which provides that members of the Police Department shall be excused from duty two days out of every seven without loss of pay. For: 66, Against: 26.

Voted Article 23. That the Moderator appoint a committee of five, consisting of two registered architects, one registered professional engineer, the Building Inspector, and one other recognized Swampscott builder to review and revise the Building By-Laws of the Town and report at the next Annual Town Meeting and that \$50.00 be appropriated for their use for typing and similar expenses.

Voted Article 24. That the Town authorize the Board of Selectmen to purchase or take by eminent domain for cemetery purposes the premises shown on Plate 13, Lot 2 and Plate 13, Lot 3 of the Assessor's Plans of the Town of Swampscott and that the sum of \$1.00 be appropriated for said purchase or taking.

Voted Article 25. That action on this Article be indefinitely postponed.

Voted Article 26. That the Town authorize the Board of Selectmen to make the necessary repairs and paint the Central Fire Engine House and that the sum of \$2,000.00 be appropriated therefor.

Voted Article 27. That the Town purchase an automobile for the Chief of the Fire Department, authorize the Board of Selectmen to trade a 1949 DeSoto on account of the purchase price and that the sum of \$1,000.00 be appropriated for the purpose of this Article.

Town of Swampscott

Voted Article 28. That the Town purchase an automobile to be used as a patrol car for the Police Department, authorize the Board of Selectmen to trade a 1949 DeSoto on account of the purchase price and that the sum of \$1,200.00 be appropriated for the purpose of this Article.

Voted Article 29. That the Town purchase an automobile to be used by the Engineering Department, authorize the Board of Selectmen to trade the car presently being used by the Engineering Department on account of the purchase price, and the sum of \$1,600.00 be appropriated therefor.

Voted Article 30. That the Town lay a drain from Allen Road through Sumner Street to Hawthorne Brook, a distance of approximately 450 feet and that the sum of \$6,000.00 be appropriated therefor.

Voted Article 31. That the Town authorize the Surveyor of Highways to purchase a front end shovel loader tractor with rubber tires and that the sum of \$4,300.00 be appropriated therefor.

Voted Article 32. That the Town carry on a sidewalk construction program under the provision of General Laws, Chapter 83, Sections 25 and 26, and that the sum of \$6,000.00 be appropriated therefor.

Voted Article 33. That the Town appropriate the sum of \$7,000.00 for the purpose of this Article.

Voted Article 34. That the Town appropriate the sum of \$1,200.00 for the purpose of this Article.

Voted Article 35. That the Town appropriate the sum of \$1,000.00 for the purpose of this Article.

Voted Article 36. That the Town appropriate the sum of \$200.00 for the purpose of this Article.

Voted Article 37. That the Town continue the summer recreational program and that the sum of \$3,000.00 be appropriated therefor.

Voted Article 38. That the Town authorize the Board of Park Commissioners to make the necessary repairs at the Fish House and that the sum of \$3,500.00 be appropriated therefor.

Voted Article 39. That the Town authorize the Board of Park Commissioners to purchase a stake-bodied truck for tree work and that the sum of \$3,000.00 be appropriated therefor.

Voted Article 40. That the Town authorize the Board of Park Commissioners to purchase a small power roller and that the sum of \$1,800.00 be appropriated.

Voted Article 41. That the Town authorize the Board of Park Commissioners to seed, loam, and fertilize a section of Phillips Park for additional play area and that the sum of \$1,000.00 be appropriated therefor.

Voted Article 42. That the Town authorize the Moderator to appoint a committee to investigate and study the wage scales paid to all Town Employees

1952 Annual Report

other than those filled by popular election and those under the direction and control of the School Committee with a view towards classifying said positions into groups doing substantially similar work and having substantially equal responsibilities, using all available data including the Griffenhagen Report, and report to the next Annual Town Meeting.

Voted Article 43. That action on this Article be indefinitely postponed.

Voted Article 44. That the Town reimburse the Ellen Realty Company for digging and backfilling water pipe trench on Dale Street and appropriate the sum of \$236.00 therefor. Unanimous.

Voted Article 45. That action on this Article be indefinitely postponed.

Voted Article 46. That the Town authorize the Water and Sewerage Board to install necessary drains and catch basins at Elmwood and Thomas Roads; Norfolk Avenue and State Road; and at Burrill Street and Middlesex Avenue and that the sum of \$4,525.00 be appropriated therefor.

Voted Article 47. That this Article be laid on the table.

Voted Article 48. That the Town authorize the Water and Sewerage Board to construct Sewers in Puritan Lane and Puritan Road, and that the sum of \$27,000.00 be appropriated therefor.

Voted Article 49. That the Town accept Chapter 820, Acts of 1950, providing for a \$100.00 increase to pensioners under the retirement systems, and that the sum of 2,000.00 be appropriated therefor.

Voted Article 50. That the Town accept Chapter 781, Acts of 1951, providing increase to pensioners under the retirement systems, and that the sum of \$2,000.00 be appropriated therefor.

Voted Article 51. That the Town authorize the Board of Selectmen to execute a new lease with the Leon E. Abbott Post No. 57 American Legion Building Association, for a term of five years from April 5th, 1952 at a rental of \$1,750.00 per year. The appropriation necessary for this Article for 1952 is included in the Budget under Article 10.

Voted Article 52. That the Town authorize the Board of Selectmen to codify and print the By-laws of the Town of Swampscott and appropriate the sum of \$700.00 therefor.

Voted: To recess for five minutes at 10:00 P.M. The meeting was called to order again at 10:10 P.M.

Voted: To dispense with the reading of Article 53.

Voted Article 53. That this article be laid on the table. Planning Board made their report.

Voted Article 54. That this article be adopted. Unanimous

Voted Article 55. That this article be adopted. Unanimous.

Voted: That Articles 56 and 57 be considered together.

Voted: To dispense with the reading of these articles.

Town of Swampscott

Voted Article 56 and 57. That these Articles be laid on the table.

Voted Article 58. That action on this Article be indefinitely postponed.

Voted Article 59. That this Article be adopted. Unanimous.

Voted Article 61. That action on this Article be indefinitely postponed.

Voted Article 62. That action on this Article be indefinitely postponed.

Voted Article 63. That the Town resurface the remainder of the accepted portion of Eureka Avenue and appropriate the sum of \$500.00 therefor.

Voted Article 64. That the Town authorize the Board of Selectmen to purchase lights and other decorations and for the purpose of placing the same on Humphrey Street during the Christmas season, that the sum of \$300.00 be appropriated therefor.

Voted Article 65. That this article be adopted.

Voted Article 66. That the Town accept Deer Cove as a public way as laid out by the Selectmen in accordance with the plans drawn by Howard L. Hamill, Town Engineer, on condition that all abutters sign the necessary waivers and that the sum of \$300.00 be appropriated therefor. The Planning Board made their report.

Voted Article 67. That action on this Article be indefinitely postponed. The Planning Board made their report.

Voted Article 68. That the Town accept Linden Avenue from Salem Street to Stanley Road as a public way as laid out by the Selectmen in accordance with the plans drawn by Howard L. Hamill, Town Engineer, on condition that all abutters sign the necessary waivers and that the sum of \$1,750.00 be appropriated therefor. The Planning Board made their report.

Voted Article 69. That the Town accept the balance of Stanley Road as a public way as laid out by the Selectmen in accordance with the plans drawn by Howard L. Hamill, Town Engineer, on condition that all the abutters sign the necessary waivers and that the sum of \$2,000.00 be appropriated therefor. The Planning Board made their report.

Voted Article 70. That the Town accept Dale Street from Sumner Street to Linden Avenue as a public way as laid out by the Selectmen in accordance with the plans drawn by Howard L. Hamill, Town Engineer, on condition that all the abutters sign the necessary waivers and that the sum of \$300.00 be appropriated therefor. The Planning Board made their report.

Voted Article 71. That action on this Article be indefinitely postponed. The Planning Board made their report.

Voted Article 72. That this article be laid on the table. The Planning Board made their report.

1952 Annual Report

Voted: That Articles 73 and 74 be considered together.

Voted Articles 73 and 74. That Nason Road, from the present point of acceptance to the westerly boundary of Laurel Road, and Laurel Road from Nason Road to Forest Avenue be accepted as public ways as laid out by the Selectmen in accordance with plans drawn by Howard L. Hamill, Town Engineer, on condition that all the abutters sign the necessary waivers, and that the sum of \$2,400.00 be appropriated therefor. The Planning Board made their report.

Voted Article 75. That the Town accept an extension of 300 feet of Lewis Road as a public way as laid out by the Selectmen in accordance with plans drawn by Howard L. Hamill, Town Engineer, on condition that all the abutters sign the necessary waivers and that the sum of \$1,000.00 be appropriated therefor. The Planning Board made their report.

Voted Article 76. That the Town accept Brewster Terrace as a public way as laid out by the Selectmen in accordance with the plans drawn by Howard L. Hamill, Town Engineer, on condition that all abutters sign the necessary waivers and that the sum of \$1,200.00 be appropriated therefor. The Planning Board made their report.

Voted Article 77. That the Town accept Bates Road from Muriel Road to the Ross property line as laid out by the Selectmen in accordance with plans drawn by Howard L. Hamill, Town Engineer, on condition that all the abutters sign the necessary waivers and that the sum of \$500.00 be appropriated therefor. The Planning Board made their report.

Voted Article 78. That the Town authorize the Board of Selectmen to sell or otherwise dispose of real estate now or hereinafter owned by the Town and acquired through foreclosure or purchase under General Laws, Chapter 60, as amended for nonpayment of Taxes.

Voted Article 79. That action on this Article be indefinitely postponed.

Voted Article 80. That action on this Article be indefinitely postponed.

Town of Swampscott

Town Accountant

I. MURRAY ADAMS

It will be noted that both receipts and expenditures have shown an increase over the past few years. Increasing costs are due basically to a steady rise in price for services and materials. The town has grown some; each new home and additional family means increased costs for the various services. But the number of town employees shows but a slight increase.

There has been an increase in the amount of paper work; certain school accounts which were not handled by the town now are. School teachers are now paid twice a month instead of once, and there are other factors which have led to a mounting burden. Interest in public expenditures is now more acute, calls for information and explanations are much larger. This office has used labor saving machines in an effort to keep ahead of added responsibilities.

In accordance with the provisions of Section 61, Chapter 41, of the General Laws, the following report is submitted. It is arranged in accordance with the rules prescribed by the Director of Accounts.

A detailed report of the receipts and expenditures for the year ending December 31, 1952 is available at this office.

Where the Money Came From

Town of Swampscott

Treasurer's Report

ROBERT G. BYRNE, *Treasurer*

In account with the Town of Swampscott for the year ended December 31, 1952.

Balance on hand, January 1, 1952	\$ 561,788.43
Receipts and Income from all sources	2,486,289.33
<hr/>	
	\$3,048,077.76
Less Warrants Paid	2,545,569.38
Balance on hand, December 31, 1952	\$ 502,508.38
Statement Indicating Borrowing Capacity as of December 31, 1952	
Valuation 1950, Less Abatements	\$28,725,497.00
Valuation 1951, Less Abatements	30,188,573.00
Valuation 1952, Less Abatements	31,458,586.00
Total Valuation	\$90,372,656.00
Average Valuation	30,124,218.00
Five Per Cent (5%) of Average Valuation	\$ 1,506,210.90
Less Outstanding Debt	
Issued Inside Debt Limit	1,009,000.00
Borrowing Capacity as of Dec. 31, 1952	\$ 497,210.90

TRUST FUNDS

HENRY S. BALDWIN

DANA V. HUMPHREY

HAROLD A. AUSTIN

Trust Fund Commissioners

The following is a list of Trust Funds held by the Town Treasurer as Cus-
todian of all Funds and Securities as provided for by Chapter 282 of the General
Acts of 1915 indicating balances as of December 31, 1952:

Phillips Medal Fund	\$ 2,609.47
Joanna Morse Library Fund	5,196.00
Ellen R. Whittle Library Fund	2,000.00
Mary L. Thomson Library Fund	1,000.00
Cemetery Gifts and Bequeaths Fund	5,306.33
Perpetual Care of Cemetery Fund	5,450.23
Emma Y. Stocker Cemetery Fund	507.42
Hattie F. Sherman Cemetery Fund	500.00
Manuel Ross Scholarship Fund	422.63
*High School Alumni Fund	4,488.71
World War II Memorial Fund	10,318.06

*This is not a Trust Fund as defined by law but is held by the Town
Treasurer in behalf of the Alumni Fund Committee.

Building Inspector

RAYMOND O. DOANE, *Building Inspector*

Building Permits	Shingling Permits	Estimated Cost	Elevator Operators' Licenses
180	72	\$995,315.00	9

There were 244 building inspections and 72 shingling inspections made. A total of \$257.00 was received and turned over to the Town Collector. Returns of hotel and elevator inspections have been made to the State. Complaints of violations of the building laws have been investigated and in all cases adjustments made.

Board of Appeals

C. GLOVER BOWES, *Chairman*

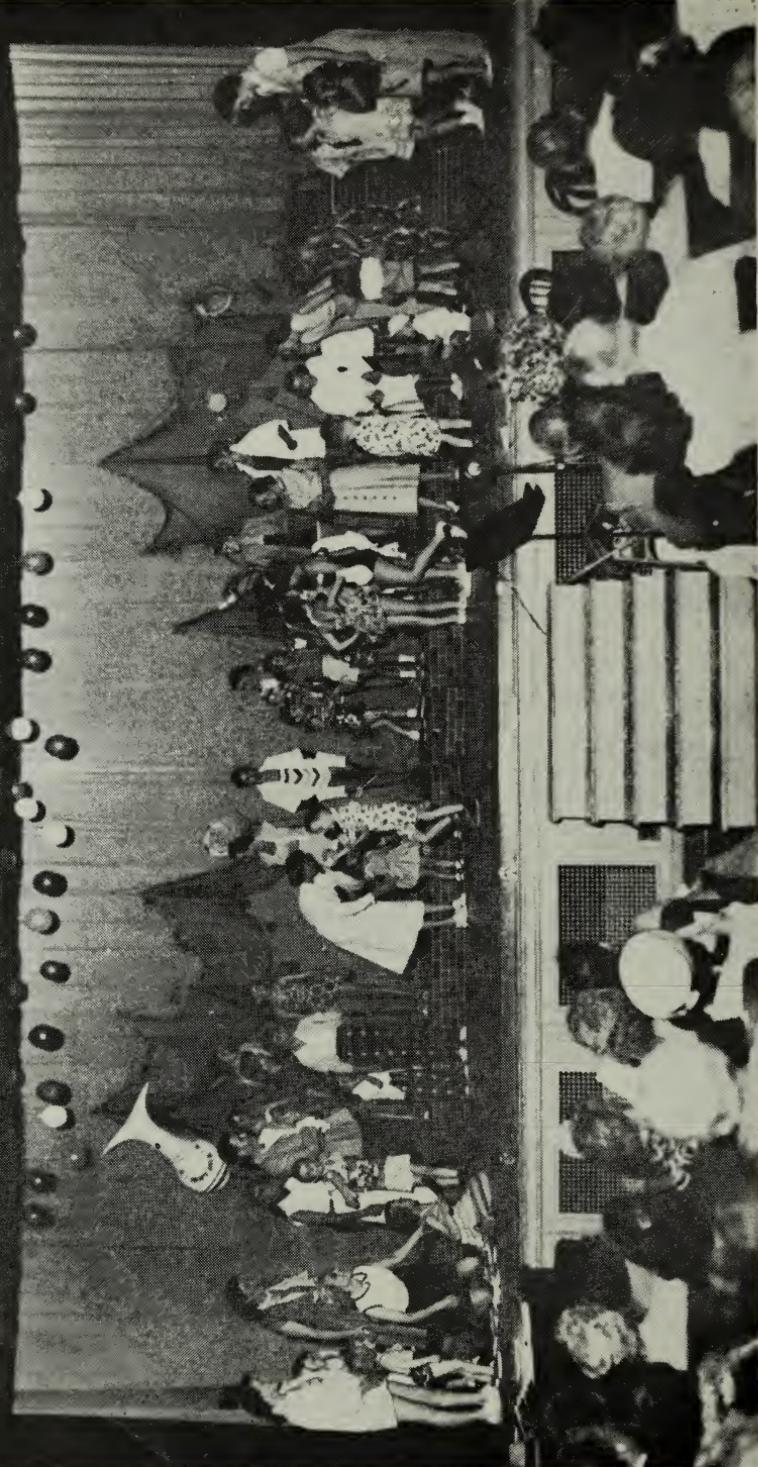

EUSTIS B. GRIMES

T. PAUL CORCORAN

During the past year there were forty cases heard before the Board of Appeals.

The Board was taken to the Superior Court in Salem because of a finding it made during the year 1951 and the Court upheld the Board as well as commended it for its finding.

In addition there was also an appeal from the decision by the Board of Appeals heard before the Massachusetts Emergency Housing Commission in Boston. No decision as yet has been made.

"One of the scenes from "A Century of Fashions" pageant."

Engineering Department

HOWARD L. HAMILL, *Town Engineer*

Engineering services included surveys, computations, record plans, assessment quantities, cost estimates, designs for construction projects, contract drawings, specifications, assignment of house numbers, description of properties and easements, and the furnishing of information and engineering data to private engineers, surveyors, attorneys and other persons. The apportionment of these engineering services is shown in the following table:

Department	Man Hours	Per Cent	Department	Man Hours	Per Cent
Water and Sewer	6,477	57.95	Planning Board ..	120	1.07
Highway	2,119	18.96	Town Counsel	119	1.06
Assessors	593	5.31	Finance Com.	118	1.05
*Engineering	592	5.30	Park	107	0.96
Selectmen	356	3.19	Police	89	0.80
Private Citizens ..	237	2.12	Health	59	0.53
School	154	1.38	Town Clerk	36	0.32
			Total	11,176	100.00

*Includes administration, clerical work, and general work for the town such as keeping the Town Map up to date.

The construction of the new culvert across the New Ocean House property was the major engineering problem of this department in 1952, and by careful inspection and supervision a substantial saving to the Town was made. This new culvert will now take care of all the town water that formerly backed up on the New Ocean House property and carry the same to the ocean. The new culvert has the capacity also to take care of any drainage from the New Ocean House property, if and when the same is properly graded.

The personnel of this department is the same as that of the previous year. The department still needs an Engineering Draftsman, but to obtain the same a higher rate of compensation must be paid.

In closing, I wish to thank all the various departments for their cooperation during the past year.

Inspector of Wires

EDWARD J. CONNELL, *Inspector*

During the period from January 1, 1952 to December 31, 1952 there were 425 permits issued and fees amounting to \$413.00 were collected.

Frequent inspections are made of electrical installations in new buildings and of changes made in old work. Inspection standards are kept high and all work performed is to the standards of the National Electrical Code and to the Massachusetts State Code.

Town of Swampscott

The Planning Board

RALPH L. WILLIAMS, *Chairman*

JAMES R. MADDOCK, *Secretary*

GORDON L. BROWN

HAROLD M. KING

ALEXANDER B. WAY, JR.

The Planning Board has held sixteen regular meetings during the year of 1952; in addition the Board has been represented at numerous meetings with other groups of Local, Regional, State and National levels.

The Board completed and adopted its Subdivision Regulations in October, 1952. These Regulations which call for a complete detail plan showing the topography of the land, the utilities and the access ways are designed to protect the interests of both the Town and the Owner. The latter knows before starting his project everything which he has to do in order to meet the Town's requirements including the cost; the Town is protected as to the completion and payment for such work by the Owner's bond.

The Board recommends an early study for the purpose of preparing plans to extend the trunk line sewer system to take in rapidly developing sections of the Town.

The Plumbing Committee originally sponsored by the Planning Board has completed its work and will submit the new code to the Town Meeting for approval and acceptance.

The Board did not approve the change in Zoning from residential to business, as requested in the 1952 warrant, of land on the State Road beyond the B&MRR bridge in the direction of Salem.

The Board in conjunction with the Town Engineering Dept. inspected the condition of twelve private ways offered for acceptance to the Town Meeting. The Board found that the majority of these conformed to the Town Standards and therefore recommended their consideration for acceptance.

Sealer of Weights and Measures

C. WALTER BURRILL, *Sealer*

SCALES AND MEASURES

Adjusted	Sealed	Not Sealed	Condemned
58	303	8	14

TRIAL WEIGHINGS

Tested	Correct	Under	Over
1158	1073	11	74

There were 1223 Inspections and 1082 Tests made.

This department wishes to extend its sincere gratitude to those who cooperated in the performance of my duties.

Centennial Committee

FREDERICK R. CHAMPION, *Chairman*

Members of the Centennial Committee

HENRY S. BALDWIN

RALPH I. LINDSEY

SAMUEL FREEDMAN

LESTER B. MORLEY

CLEMENT E. KENNEDY

VINCENT P. O'BRIEN

We submit herewith a report of the official observance of the 100th Anniversary of the incorporation of Swampscott as a town in 1852, not only that we may thereby conclude our activities but also that there may be a permanent public record of the celebration which we hope will be of increasing interest and service in the years to come.

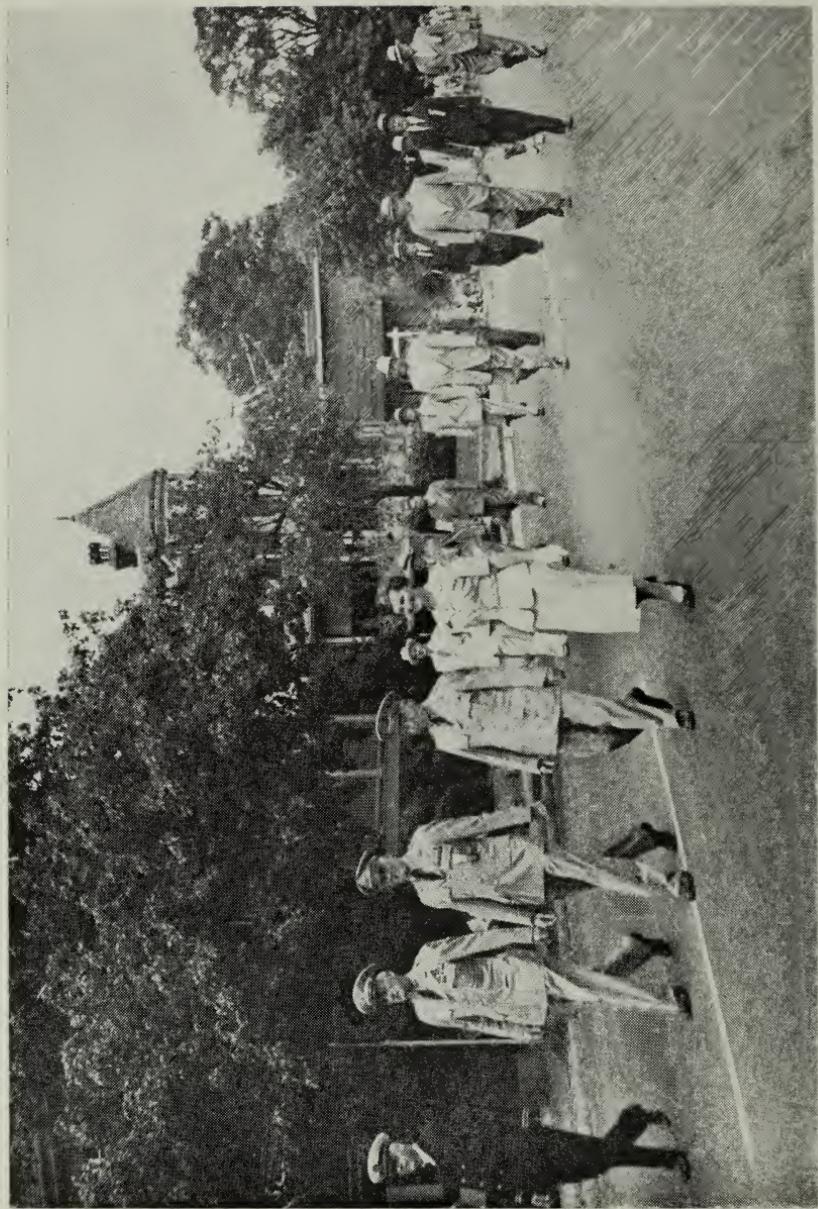

The 1948 Board of Selectmen included an article in the warrant for the 1949 Annual Town Meeting calling for a committee to investigate the advisability of celebrating the town's centennial. Under that article the Town Meeting authorized the appointment of such a committee.

In the spring of 1949 the Moderator appointed a committee consisting of Henry S. Baldwin, Frederick R. Champion, Samuel Freedman, Clement E. Kennedy, Ralph I. Lindsey, Lester B. Morley and Vincent P. O'Brien. The members of the committee chose Selectman Frederick R. Champion as its Chairman. Monthly meetings were held and the committee in reporting to the 1950 Annual Town Meeting recommended that a centennial celebration be held and that a committee be appointed to plan for it. These recommendations were approved by the Town Meeting.

The Moderator appointed as the new Centennial Planning Committee the same persons who had served on the prior committee. As the new committee we continued the practice of holding monthly meetings reporting back to the 1951 Annual Town Meeting which authorized the continuation of the committee and empowered the Moderator to appoint the members of such additional committees as we deemed desirable in carrying out the celebration.

In the fall of 1951 our committee began holding its meetings weekly and at the same time invited any interested townspeople to volunteer for service on the various associated committees which were being organized. Much time was devoted by the members of all committees in working out an acceptable program.

The 1952 Annual Town Meeting which was opened with appropriate cere-

"Members of Chief Marshal's Staff marching in great Centennial Parade on Humphrey Street."

1952 Annual Report

monies to usher in the centennial year approved the plans for the celebration and appropriated \$15,000 to cover its expenses.

RELIGIOUS SERVICES

We felt that as our town completed 100 years of corporate existence our first thoughts should be those of gratitude to Almighty God who had blessed our community and its citizens in so many ways and, accordingly, it was decided that the Centennial would be observed first in the Houses of Worship in Swampscott. A few years ago the custom of opening our Town Meetings with prayer was started and local Clergymen are invited to participate in the same order in which their particular Parish was established in the town. This same procedure was adopted for our centennial observance and the first service was held on Sunday, May 4th, in the First Church, Congregational. The members of the Centennial Committee and all other residents of the town were invited to join in the various religious services and many availed themselves of the invitation. On successive Sundays services were held in other Churches with the seventh and concluding service on Friday, June 13th, at Temple Israel.

The Bible used during the Fiftieth Anniversary observance in 1902 by Reverend George A. Jackson was presented to our committee by his daughter Miss Mary C. E. Jackson. This Bible was used at several of the Centennial Church services and, after being suitably inscribed, was turned over to the Public Library.

REVIEW OF EVENTS

The official opening of the centennial celebration took place at the World War I Memorial Flag pole on Saturday afternoon, June 14th, Flag Day. The ceremonies included the raising of a new flag bought especially for the occasion and flown throughout the week. At the conclusion of the celebration, the flag was carefully packed away in a special case and stored in the Town Treasurer's vault where it will be preserved until the year 2002 when, we hope, it will be used in connection with the town's sesqui-centennial celebration. The principal speaker at the official opening was the Honorable William H. Bates, our Congressman, who delivered an inspiring talk to the assembled group. In the evening a band concert was held at Fisherman's Beach. As soon as darkness had fallen, and at a given signal, Fisherman's Beach was suddenly illuminated from end to end with red flares which burned for nearly a half hour giving a very beautiful effect. The harbor illumination was followed by a magnificent display of fireworks which was set off on a Naval barge anchored a short distance off shore.

Sunday, June 15th, a series of beach activities and boat races were held at Fisherman's Beach and a colorful Band and Drill Team Competition was conducted at Blockside Field. It was a beautiful day and the brightly colored uniforms of the contestants made an appealing display that will long be remembered by those who witnessed it. A special exhibition was put on by the nationally famous Norman W. Prince Post Drum and Bugle Corps of Medford who were not contestants. In the evening a display of "Now and Then" slides were held at the auditorium of the new Clarke School. This was the first official showing of a group of slides taken in Swampscott during the preceding year and shown in contrast with others taken fifty or more years earlier at the same locations. The slides were the result of a project carried on for approximately three years under the direction of our committee.

Town of Swampscott

Monday, June 16th, a piano festival was conducted in the Clarke School auditorium both in the afternoon and evening. A pageant fashion show entitled "A Century of Fashions" was held in the evening at the High School auditorium. This pageant based on an original script, covered styles and local events of the past 100 years and was staged entirely by Swampscott residents. It is interesting to note that the cast included the Honorable Henry T. Lummus, Justice of the Supreme Judicial Court of the Commonwealth of Massachusetts.

Tuesday, June 17th, a Swampscott Sea Food Dinner was served to more than 600 people at Blockside Field. The dinner was followed by a band concert and vaudeville show. All day long the weather had been threatening and there had been a question as to whether or not the sea food dinner could be held out of doors. The decision was finally made to proceed as planned. Lightning and the rumble of distant thunder indicated an approaching storm during the vaudeville show. As soon as the program was completed everyone hurried from the field and no sooner had it been cleared then there was a torrential downpour. This was the only unpleasant weather during the entire week.

Wednesday, June 18th, in the afternoon a beautiful flower show was held at the Tedesco Country Club. A ball game between the Swampscott and Marblehead High School teams was held at Blockside Field. The first pitch was thrown by Walter Brennan who at one time had pitched for the Swampscott High School. Swampscott won the game by a score of five to one. In the evening a band concert was held at Abbott Park, while a second "Now and Then" slide display was held at the Hadley School.

Thursday, June 19th, a band concert was held in the evening at Blaney Beach, while open air dancing took place at the Jackson Park Hockey Rink. This latter event drew a very large crowd especially of younger folks. It had been planned originally to have a lighting display on this day. However, those plans were changed and the lighting display committee arranged for the flood lighting of the Town Administration Building, the Old Town Hall and the Centennial flag every evening during the celebration.

Friday, June 20th, was the great day for the children. A gigantic party was held in the afternoon at Phillips Park with everything possible being done to make it a banner occasion for the youngsters. Among the activities was the selection of a Junior Centennial King and Junior Centennial Queen, both of whom were to ride on the Centennial Queen's float in the parade on the following day. In the evening the third "Now and Then" slide display was held at the Stanley School, while an Old Fashion Barn Dance was conducted at the New Ocean House Convention Hall. For this occasion, the Convention Hall had been made to resemble a great barn with farm emblems and live stock giving it a real country appearance.

Saturday, June 21st, in the morning, a five-mile Centennial Road Race was held within the town. In the afternoon the official centennial parade started from Brine Square, proceeding along Humphrey Street to Burrill Street to Middlesex Avenue to Abbott Park where it disbanded. This was a magnificent parade containing many colorful floats and musical units. Under a warm sun and a beautiful sky the various marching units proceeded amidst the cheers of a tremendous throng of spectators. the Centennial Committee and other town officials reviewed the parade from a stand at Monument Square. The stand used on this occasion, as well as at many of

1952 Annual Report

the other outdoor functions, had been loaned to us through the kindness of the City of Salem Park Department. Colored motion pictures were taken of the parade and these will be of increasing interest and sentimental value as the years go on. Colored photography, a comparatively new development, perpetuates the warmth and beauty of this gala occasion.

In the evening the grand banquet closing the centennial was held in the main dining room of the New Ocean House with an attendance which overflowed into the hotel's lobby. Following a splendid meal the enthusiastic audience received the greetings of various visiting dignitaries headed by the Honorable Leverett Saltonstall, United States Senator from Massachusetts. The principal address of the evening was delivered by Dr. Daniel L. Marsh, Chancellor and President Emeritus of Boston University. A tape recording of the entire speaking program preserves for posterity an occasion that will be pleasantly remembered for years to come by those privileged to attend.

The brief outline we have given of the centennial observance serves only as a general resumé. The detailed records of the various events will be found in the contemporary clippings which are filed at the Public Library. The names of participants and much additional interesting information may be obtained from that source. A complete set of our committee records including all the data we have accumulated is being preserved at the Library for our successors in 2002.

HISTORICAL EXHIBIT

The citizens of Swampscott were invited to loan interesting items for an historical exhibit. Many such items were forthcoming and these were placed on display in the Old Town Hall where they could be seen each day during the centennial observance. This exhibit drew many visitors not only from Swampscott but from other communities as well. Monsieur Raymond-Laurent, a prominent member of the French National Assembly, former Minister of the French Navy and a former Mayor of Paris, who was stopping at the New Ocean House, was among those who attended the exhibit.

OFFICIAL CENTENNIAL BOOK AND PROGRAM

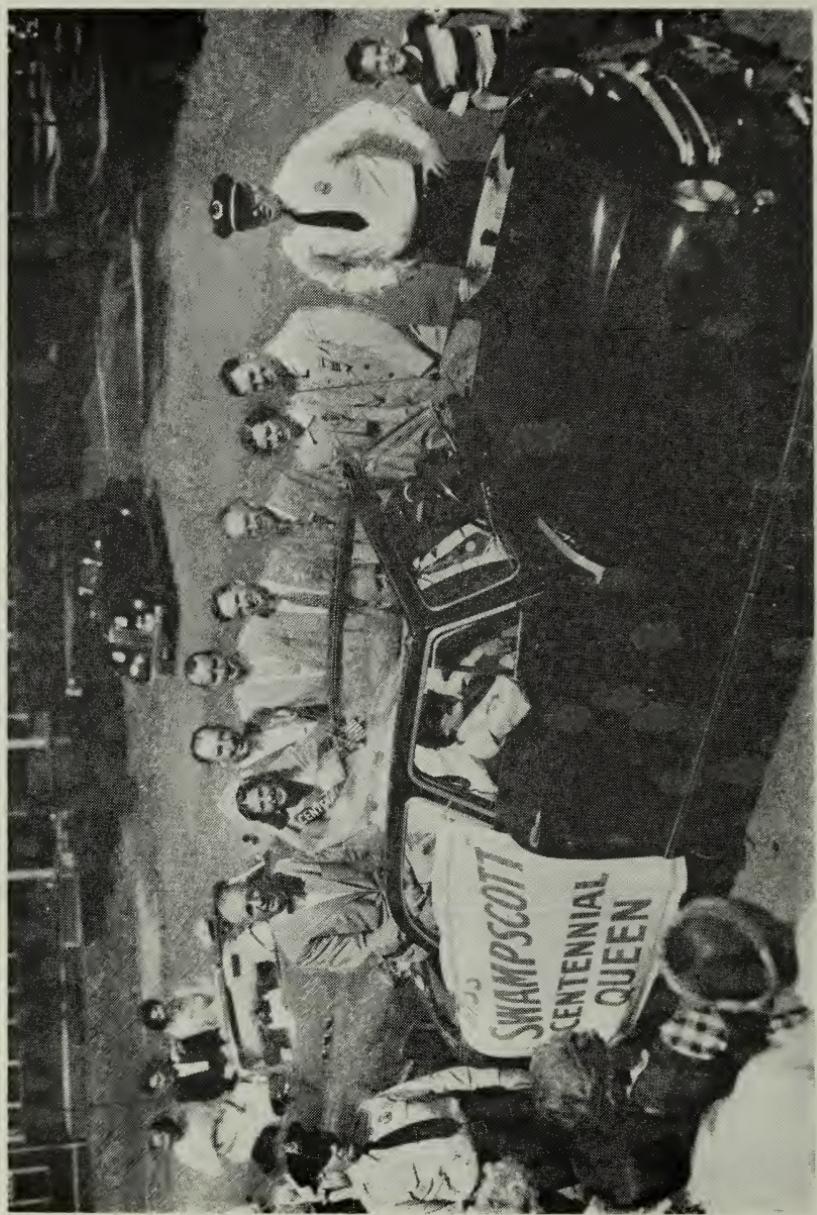

A beautiful centennial booklet was prepared which contains much interesting data together with many appealing pictures. We have no doubt but that in years to come people will find our present scenes of Swampscott as amusing, by contrast, as we do those of bygone years.

CENTENNIAL EMBLEM

A contest open to the students of the Junior and Senior High Schools was held to select the design for a centennial emblem. Many worthwhile entries were made and it was most difficult to choose the winning design. The first prize was awarded, after much study, to Neal Brown, a member of the Swampscott High School Class of 1953. Second and third prizes were awarded to Stanley Ellis and Doris Topp both members of the 1952 graduating class.

CENTENNIAL MARCH

In tribute to our town's centennial Joseph H. Gove of Lynn, Director of the Eighth Regiment Band, wrote a special march entitled "Swampscott Centennial March," which was played on many occasions during the celebration.

"Walter Brennan and Centennial Queen pictured following Official Opening Ceremonies. To Queen's left: Chairman Frederick R. Champion and Congressman William H. Bates who had delivered the principal address."

1952 Annual Report

DECORATIONS

Many of the public buildings and business establishments were attractively decorated for the celebration. The town certainly looked attractive and inviting to its residents and visitors.

CENTENNIAL QUEEN

The Swampscott Business Men's Association sponsored the selection of a Centennial Queen. Miss Phyllis Melzard was chosen as the queen, with Miss Frances King and Miss Carol Doane as ladies-in-waiting. These young ladies were invited to attend and participate in the various centennial functions. We are confident that they added a touch of beauty and loveliness to each of the functions that they graced with their charming presence.

WALTER BRENNAN

Walter Brennan a former Swampscott boy who has won national acclaim as a motion picture actor was invited to return to Swampscott for the centennial celebration. This he did with his wife, the former Ruth Wells of Lynn. They attended practically all of the centennial activities. This pleasant and unassuming winner of several Motion Picture Academy awards known as "Oscars," headed a sizable group of former Swampscott residents who returned to the town for a visit during the celebration period.

PUBLICITY

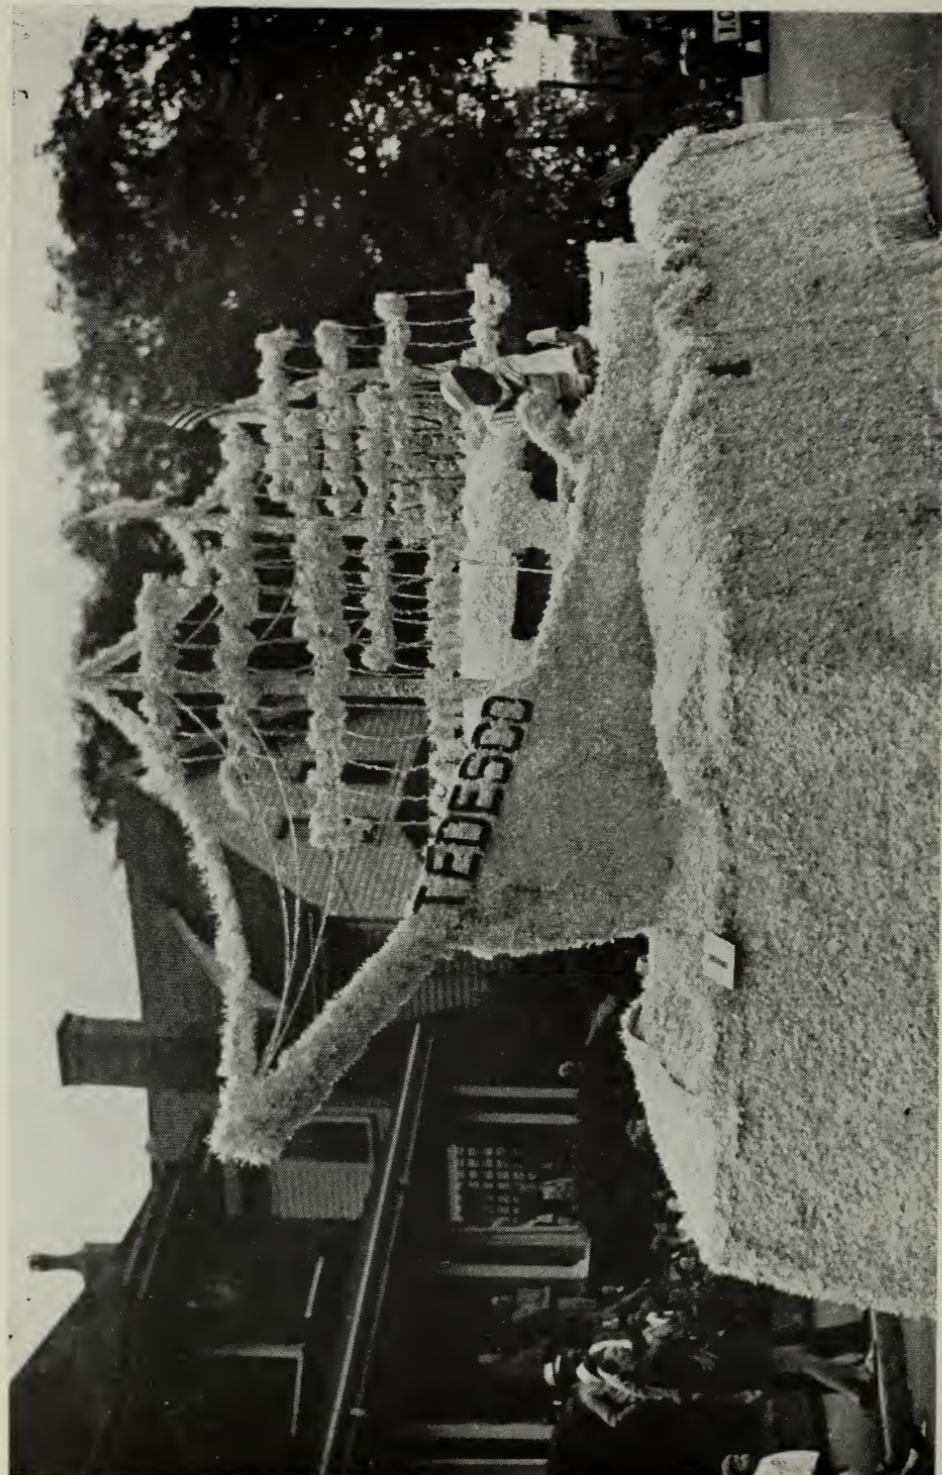

Our Centennial received wonderful coverage from the press, radio and TV stations. The Daily Evening Item of Lynn held its Diamond Jubilee Music Festival at Manning Bowl, Lynn, on June 11th, and included a salute to Swampscott in its program. The Swampscott Dory issued a large and interesting Centennial Edition. These two papers together with the Lynn Telegram News, the Salem Evening News and the Boston papers gave generous coverage to the entire centennial. Radio stations WLYN of Lynn, WESX of Salem and the Boston stations carried broadcasts relating to it. WNAC-TV and WBZ-TV of Boston also gave us time. We appreciate the very favorable publicity which our celebration received on all sides.

FINANCES

All money appropriated for our committee and expended under our authority was covered by approved warrants and paid through the office of the Town Treasurer. A complete record of these expenditures will be found in the Town Accountant's Reports.

APPRECIATION

Our committee which worked more than three years in preparing for the centennial celebration has enjoyed its assignment a great deal. It was made pleasant by the gracious and generous cooperation of so many of the townspeople. We are extremely grateful to those who served on the various associated committees and to the many other citizens who took an active part in the observance. We appreciate the confidence placed in us by the Town Meeting Members as well as the wholehearted cooperation given to us by various town officials, departments and employees. Many deserve special recognition. But, lest by naming some we overlook

"One of the many beautiful floats in Centennial Parade. The parade, a highlight of the celebration, was probably finest in Town's history."

1952 Annual Report

even one person we shall refrain mentioning any individuals and limit ourselves to extending a sincere "thank you" to everyone who in any way contributed to making the affair the outstanding success that it was.

CONCLUSION

Early in our committee life we adopted the following slogan; "Present recognition of the Past prepares for the Future." These words basically sum up the very purpose for the centennial celebration. It gave the people of Swampscott an occasion to consider the accomplishments of the past century weighing them with our present day activities and thus to be better prepared for the future. A centennial celebration or any other similar event would be a rather meaningless activity if those who took part in it failed to recognize it as an opportunity to reflect on prior accomplishments and thus prepare more wisely for the future. Our centennial celebration has been held at a period in world history marked with uncertainty. Since the Fiftieth Anniversary celebration in 1902 our nation has gone through two devastating World Wars and we have seen the advent of the Atomic Age without fully comprehending its significance. We are now engaged in a conflict in Korea and look to the future soberly and wonder what will happen between now and the Sesqui-Centennial Celebration of 2002. We confidently hope that the diabolic forces of Communistic Atheism and Atheistic Communism, which now constitute world menaces, will have been overcome. We pray that under God's guidance and protection our town and our nation will have gone forward to an era of World Peace in which the principles of The Dignity of the Individual and of The Brotherhood of Man will have been firmly established.

Police Department

FRANCIS P. WALL, *Chief*

During the year the Department suffered the loss of an efficient and loyal member, Joseph H. Doane, who died at the Lynn Hospital on August 18, 1952 after a brief illness. He served the town as a regular patrolman for eight years. He was a Veteran of World War II.

On August 28, 1952, William J. Carlin was appointed a permanent patrolman from the Reserve list, to fill the vacancy caused by the death of Patrolman Doane.

On March 6, 1952, Stephen J. Boraizia was appointed to the Reserve list to fill a vacancy which existed.

On September 4, 1952, Charles Losano, Jr., was appointed to the Reserve list to fill a vacancy resulting from the appointment of William J. Carlin to the regular force.

AUXILIARY POLICE

During the year the Auxiliary Police Force has been active and is receiving general police training under the direction of Captain John P. Costin assisted by Officer Harold J. Keating. The Auxiliary Police Force consists of one Chief, three Captains and twenty-six patrolmen. The force is ready and available for immediate service at any time.

ARRESTS

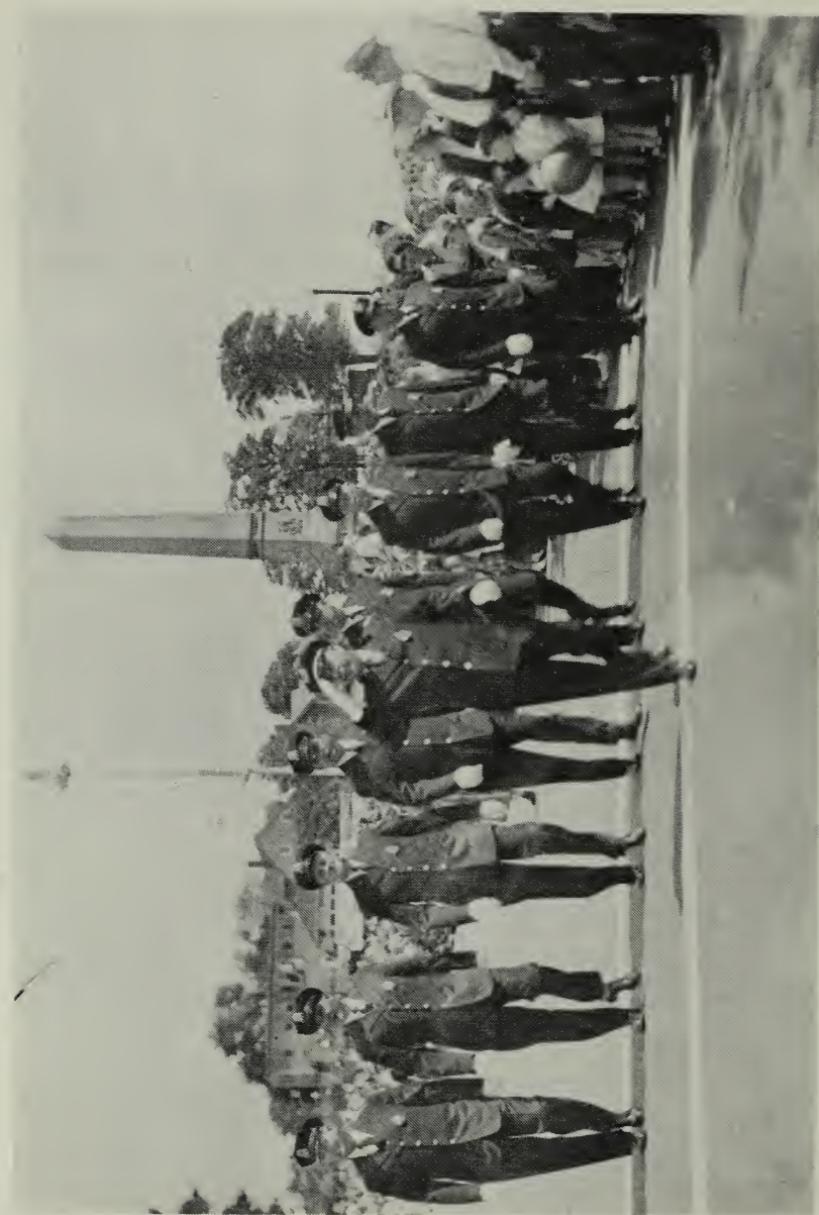

On warrant	3
Without warrant	33
Warrants served for other Police Departments	7
Summoned to appear in Court	6
Summonses to appear in Court served for other Police Departments	274

OFFENCES CHARGED

Adultery	2
Armed Robbery	5
Drunkenness	27
Larceny	2

1952 Annual Report

MISCELLANEOUS

Accidents:

Automobile accidents reported and investigated	
Fatalities	0
Property damage only	43
Personal injuries:	
Pedestrians injured	10
Bicyclists	2
Operators and passengers	54
Ambulance Service:	
To accidents	10
To fires	54
Persons conveyed to Hospitals	149
Persons conveyed from Hospital to home	22
Persons conveyed to Doctor's Office	8
Persons conveyed to Rest Home, etc.	17
Motor Patrol Car Service:	
Assistance given to sick and injured persons	37
Persons conveyed to Hospitals	40
Persons conveyed to Rest Homes, etc.	5
Breaking and entering investigated	18
Complaints investigated	978
Doors and windows found open and secured	140
Duty calls made by patrolmen from police boxes	41,128
Larceny Reports \$50 and over investigated	14
Larceny reports under \$50 investigated	42
Licenses Issued:	
Bicycle licenses	167
Pistol permits	106
Permits to perform necessary work on the Lord's Day	15
Lights in vacant buildings investigated	6
Manhole covers reported loose	7
Messages delivered for other Police Departments, etc.	153
Parking violations:	
Motor vehicles tagged	1740
Court Summons issued	983
Persons reported missing and located	46
Residences temporarily closed and special attention given	259
Sale or transfer of motor vehicle notices filed	347
Sale of second-hand motor vehicles, dealers' reports filed	276
Street lamps reported out	105
Street and sidewalk defects reported	20
Trees reported down	20
Water leaks reported	9
Windows reported broken and cases investigated	61
Wires reported defective	13

DEPARTMENTAL EQUIPMENT

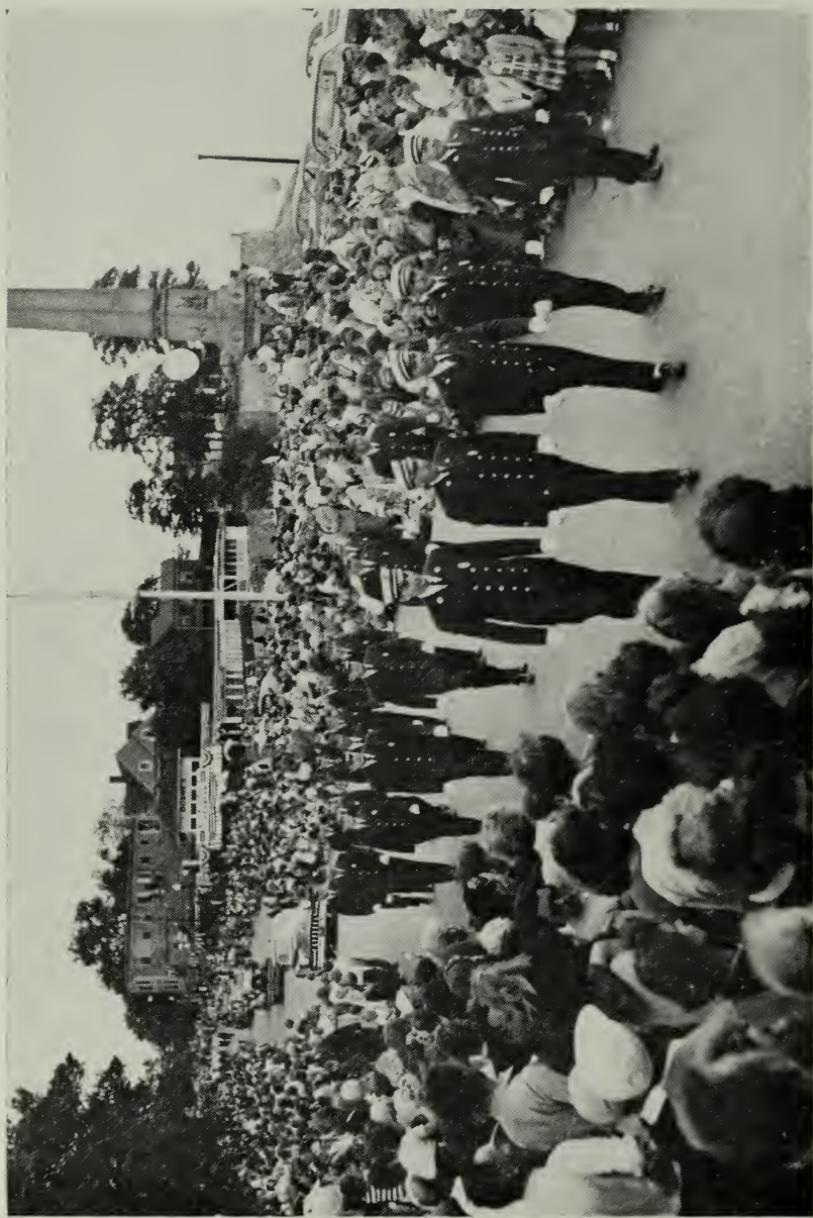

The equipment of this department is regularly inspected and tested and no effort is spared to have it ready for instant use at all times.

RECOMMENDATIONS

I recommend that the Town purchase a new motor vehicle to be used as a patrol car, to replace the 1950 DeSoto Sedan now in use.

APPRECIATION

I wish to express my sincere appreciation to the Board of Selectmen, to the members of my department, to the officers and members of the Auxiliary Police, to all Town departments, and to all others who have co-operated with me during the year.

"Swampscott firemen, followed by fire fighting apparatus, march through Monument Square."

Fire Department

CHARLES H. LAMPARD, *Chief*

Employees: 1952 — 32 Permanent Men.

Budget: \$133,320.97.

Expenditures: \$132,570.58.

Despite an increase in the number of fires in homes and other types of buildings, the Town continues to enjoy a low fire loss. Mutual aid protection was carried on with the City of Lynn and the Town of Marblehead.

Fire drills were conducted at all the schools during the year. Periodic inspections were made throughout the year in stores, churches and hotels. Such inspections are considered very instrumental in the prevention of fire. The usual training drills, within the department, were carried on during the year.

Additional equipment is needed if fire protection is to be maintained at its present high level. The Department feels that the following recommendations are in order to keep abreast with the growth of the Town:

Installation of fire alarm boxes to take care of sections of the Town that have been built up in recent years. This is a continuation of a three-year expansion program.

A new Central Fire Station at a more favorable location.

\$250.00 for repairing of coving at Philips Beach Engine House.

The Fire Department at present has the following equipment:

Junior Aerial Ladder Truck	1945		
1000 Gallon Pump	1932	Chief's Car	1952
600 Gallon Pump	1935	Fire Alarm Truck	1940
500 Gallon Pump	1941	Utility Truck	1935
350 Gallon Pump	1932	City Service Truck	1917

I wish to thank the Auxiliary Fire Department for its splendid cooperation, The Board of Selectmen, The Finance Committee, and the personnel of my department for their excellent assistance.

Cemetery Department

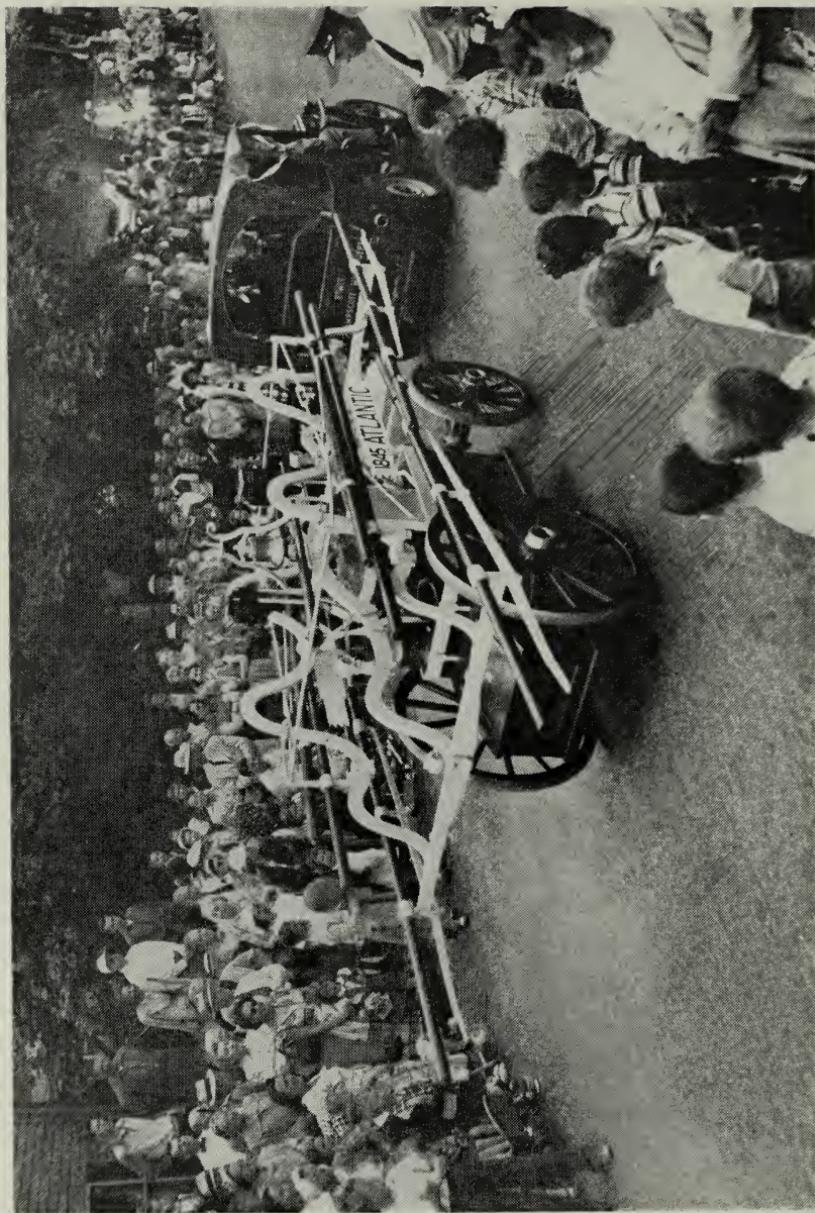

ARTHUR E. HARDY, *Superintendent*

The total interments for the year were 83. All receipts for funerals, liners, foundations and sale of lots were paid to the Collector of Taxes.

The Andrew Memorial Chapel has been repaired and all masonry has been pointed and is now in very good condition.

I wish to express my sincere appreciation to Mr. Theodore Cooke of the Lynn Sand and Stone Co. for his gift of pea stone for the Cemetery.

My sincere appreciation goes also to all departments that have cooperated with me during the year.

"Town's first piece of fire fighting apparatus, hand tub "Atlantic," drawn in parade by Highway Department Jeep."

Department of Civil Defense

ROBERT O'NEILL, *Director*

I have, since taking over the duties of Director in November 1951, endeavored to see that all divisions of our Civil Defense were fully staffed and the most important of these divisions were brought to the highest point of efficiency possible.

DIVISION 1 FIRE SERVICE

We have in my opinion and in the opinion of the State Civil Defense the best Auxiliary Fire Group in the State. Auxiliary Chief Lawrence A. Sager, Deputy Chief Charles Stover and Captains Daniel Wormwood Jr., Russell Austin, and Philip Knowlton have done an excellent job in training and guiding the thirty men that make up this group. These men have held regular monthly meetings plus drills every other week. All have had First Aid instructions, as well as individual instruction in use of masks and Scott Air Pak. They have on a number of occasions assisted the regular department in fighting woods fires in the Town. During the Centennial and on July 4th, they assisted in protecting the Town during the fireworks display and on July 5th, Engine 4 and Ladder 2 covered in at Danvers during their Bi-Centennial parade. On July 14th they drilled at Saugus and participated in parades in Marblehead, Chelsea and Beverly. On September 10th they entered auxiliary competition in Melrose and tied for first place in drafting competition. October 19th we held our own competition for hose laying and pumping. This event was preceded by a parade of eleven pieces of fire fighting equipment. More than two hundred Auxiliary Firemen participated from the following communities: Saugus, Malden, Melrose, Swampscott, Everett, Danvers, Chelsea and Cambridge. Swampscott's Auxiliary Police led by Chief Charles Scanlon did an outstanding job directing traffic during this competition. We have in our Auxiliary Fire Division a well trained, fully equipped and enthusiastic group of men who are a credit to the Town.

DIVISION 2 POLICE SERVICE

Swampscott's Auxiliary Police of thirty men under Auxiliary Chief Charles Scanlon and Captains Eustis B. Grimes, John R. Cooper and Wendell F. Jones are on a par with our Auxiliary Fire Division in all respects. They have all received training in Standard and Advanced First Aid and have passed courses in Police Laws and Procedures, lectures on Arson, Crime and Crime Prevention, Traffic Control and Atomic Weapons. Duty Tours consisted of 419 man hours worked, May 30th Parade, June 10th Air Raid Drill, June 21st Road Race, Centennial Parade, July 3rd and 4th Police Duty, October 19th Traffic Duty during Auxiliary Fire Demonstration, October 31st Police Duty. This group of Auxiliary Police are now completely uniformed and equipped and Captain John Costin of the regular force has done an outstanding job in preparing these men to meet any type of emergency.

DIVISION 3 PUBLIC WARNING & PROTECTION

This Division under Deputy Directors Donald Goss, Otto W. Friedman and Bruce Hamlin are completing our Air Raid Warden personnel in the eight districts. We should have a total of 200 Wardens to fully staff this division. I

Town of Swampscott

urge any men or women who wish to join our CD as Wardens to get in touch with the Deputy Directors of this division.

Mr. Ralph Pierce, head of our Communications, assisted by Edward F. Power and Raymond Legro, have installed at the Report Center a radio receiver and transmitter set which has a range of fifty miles and is tuned to a wave length of 53.44 megocycles. Also installed is a 500 watt 115 volt gasoline driven power unit for an emergency power source. These three men have each built portable units which can be operated from cars or as "Walkie-Talkies" and one more of these units is now being assembled. It is essential that adequate and proper warning be given to the public in event of an air attack. The present fire alarm whistle proved to be far from adequate during the Air Raid Test held last June, so it is planned to install four or five 2 H.P. air raid sirens with remote control over a private wire circuit from Police Headquarters. Tests have been made and details have been worked out with the Telephone Company's Engineering Office to give Swampscott the coverage it must have to meet the State CD requirements.

DIVISION 4 MEDICAL & HEALTH

First Aid Stations have been set up and selection of space for improvised Casualty Hospitals has been completed and personnel enrolled for this important division. A successful three day Blood Typing Program was held in July and more than 1700 Swampscott residents were typed.

DIVISION 7 — CIVILIAN WAR AID

This division under Deputy Director Fred M. Seaton and Assistant Directors Barrie White, Norbert Ulman, and Walter Ranger, is well organized and steps are being taken to see that all units are fully staffed.

Dog Officer

JOHN A. BOSTON, *Dog Officer*

Six hundred and twenty-three (623) complaints were received, investigated and settled to the satisfaction of all concerned.

Nine (9) dogs were declared strays and disposed of.

There were five hundred and eighty-four (584) licenses issued from April 1st to December 31st — a decrease of twenty-eight (28) from 1951. This decrease is partially explained by the large number of animals killed on the streets of the town — sixty-eight (68) in number for 1952.

I wish to express my appreciation to all departments and personnel who have cooperated with me.

Board of Health

LORING GRIMES, M.D., *Chairman*

H. ALLEN DURKEE

E. WALLACE DONALD

JOHN E. LAPLANTE, *Health Officer*

During the year 1951, 220 Births and 153 Deaths occurred in our Community. Of these deaths, 105 were caused by diseases of the heart and circulatory system, and 17 were due to carcinoma and other malignant growths. The average age of death for this period was 68.2 years. As these statistics indicate that more people are living a greater life span and succumbing to diseases of old age, we find the roll of geriatrics becoming more prominent each year.

These statistics are for the calendar year of 1951 due to delays in receiving certificates from other communities.

The incidence of childhood diseases increased greatly over the previous year, and this increase was also prevalent throughout the Commonwealth. Following is a brief list of the more common diseases with a comparison of the previous year:

<i>Disease</i>	1951	1952	<i>Disease</i>	1951	1952
	<i>Cases</i>			<i>Cases</i>	
Chicken pox	47	252	Poliomyelitis	1	7
German Measles	6	22	Scarlet Fever	5	10
Measles	237	310	Whooping cough	21	10
Mumps	14	122	Tuberculosis	2	3

Epidemiologists believe these periodic fluctuations in communicable diseases are due to variations in the reservoirs of susceptible persons. During periods of low incidences the number of susceptible persons accumulates until an infective person begins to contact many susceptibles, thereby causing an epidemic which lasts until the reservoir of susceptibles is exhausted or greatly reduced.

The Health Nurse has made many visits into the homes of Swampscott families for the purpose of interpreting to our community, the principles of healthful living, necessary for the promotion of physical and mental health and the prevention of diseases. When necessary the nurse has given information in regard to health and social facilities available for assistance.

The School Health program at St. John's Parochial School, the Dental program and the Immunization program have been formulated and supervised by the Health Nurse.

The trend in Public Health Nursing today is to concentrate on the family unit, interest being not only in the sick individual but in the well person to help him maintain good health.

At the annual rabies clinic held in September, 208 dogs were inoculated out of an estimated population of 650. Although we haven't had any cases of rabies in Swampscott for several years, it is a wise undertaking to immunize our canine

Town of Swampscott

friends in order to avert an epidemic should a rabid animal ever gain access to the community.

The mosquito and noxious weed control program was continued this year, and the department feels this was a successful and worthwhile municipal function.

The new Plumbing By-Laws were not adopted this year due to a legal technicality. This difficulty has been eliminated, and the By-laws will appear on the 1953 Town Warrant.

The Refuse and Garbage contract was renewed this year for \$39,995.00, which is a \$10,355.00 increase over the previous one.

Mr. G. Jeffrey Nichols resigned his position as Health Officer, and the vacancy was filled by Mr. John E. LaPlante, formerly the Health Officer for Ipswich.

In conclusion, we acknowledge the brevity of this report and would be pleased to furnish further information to those who desire more detailed facts and figures.

Sewer Department

HAROLD C. HUDSON, *Chairman*

GEORGE B. ATKINS

ALFRED N. FRAZIER

ALBERT ENHOLM, *Superintendent*

Sewer extensions in Alden, Shelton, Lewis Roads and Pleasant Street have been completed, also 52 feet of six-inch iron pipe was laid in main sewer in Standpipe Road. The sewer extensions in Puritan Lane and Puritan Road, about 412 feet now in process, will be completed in 1953. The elimination of the Pine Street sump holes, begun in 1951, has been completed.

Pipe was laid at Junction of Ocean and Shepard Avenues to serve as a relief in case of electric power failure.

The old drain at the New Ocean House property was replaced with a new drain following a different course, to alleviate flood conditions. A new heavy duty rubber gasket was put on the tide gate at Fisherman's Beach.

Particular Sewers laid and inspected	93
Particular Sewers rodded and root cutter used (some repairs made)	110
Main Sewers rodded, cleared of grease and roots	78
Sand and debris catcher pans replaced in manholes	106
Noisy manhole covers tarred in	51
Catch Basins installed Junction of Orchard Road and Humphrey Street	2
Sewage Pumpings for 1952	about 472,000,000 gallons

Brooks were cleaned of all debris after rainfalls, and roots were removed from storm basin pipes periodically.

We wish to extend our thanks to all Town Departments and personnel for their kind and helpful cooperation during the year.

Water Department

HAROLD C. HUDSON, *Chairman*

GEORGE B. ATKINS

ALFRED N. FRAZIER

CHESTER E. BRADLEY, *Superintendent*

Services:

74	New Services have been installed
2	Services abandoned
27	Services renewed completely
14	Services renewed from main to sidewalk
9	Services renewed from sidewalk to meter
34	Service leaks repaired
92	Services cleaned out
332	Services on request have been turned on or off
26	Service boxes dug and repaired

Meters:

40	Obsolete meters have been replaced with new ones
332	Meters have been cleaned, repaired and tested
102	Meter leaks have been repaired in the field

Mains:

A total of 2233 feet of water mains were laid in the following streets —
Shelton Rd. to Alden Rd. 300 feet, 6 inches C. I. — Pine Hill Rd. to Sargent Rd.
660 feet 6 inches C. I. — Nantucket St. 135 feet 6 inches C. I. — Bates Rd. tie in
of dead ends 234 feet 6 inches C.I. — Swampscott Ave. 168 feet 6 inches C. I.
— Stand Pipe Rd. to Stand Pipe 453 feet 8 inches C. I. — Smith Lane 158 feet 2
inches Brass — Holly Circle 185 feet 2 inches Brass.

8	Breaks in our large mains were repaired
22	Main line gate boxes were dug up and repaired or replaced

Hydrants:

11	Hydrants damaged by motor vehicles were repaired
1	Hydrant demolished by a motor vehicle was replaced

Additional hydrants were installed in the following streets: Pine Hill Rd. (1) ;
Stand Pipe Rd. (1) ; Swampscott Ave. (1).

Our hydrant flushing program was carried on as usual in the Spring months.
The Fall inspection and winterizing has been completed and all Town Departments
having occasion to use hydrants were requested to notify us of the use
of any hydrant during the winter months.

All excavations made by this department have been brought to grade and
tar patched or cemented.

Since the completion of the new 36-inch main from the M.D.C. the resulting
advantages have not been what the Board expected. We feel after a partial survey

Town of Swampscott

that a three-year program should be started immediately to give the Town another source of supply. This new source of supply to be a 16-inch main from the 36-inch M.D.C. main in Eastern Ave. along Columbia St. and tying into the 6-inch and 12-inch mains in Burrill St.

The installation of this main would serve two purposes:

1 To offset a re-occurrence of the loss of the Town's water supply through its present and only inlet in New Ocean Street similar to that of September of this year when a break occurred in the Metropolitan main coming into town and necessitated a temporary shutting off of the town's water until repairs were made.

2 To insure a better supply of water to the center and upper Swampscott highlands area.

In order to carry out this project and with an endeavor to increase service without increasing the water rate, we feel that by expending \$12,000 per year for a three-year period these results can be obtained. At our suggestion a 36-inch by 16-inch Tee and a 16-inch gate were installed by the M.D.C. at the junction of Eastern Ave. and Columbia St. at no expense to the Town of Swampscott.

In this Centennial year of the Town of Swampscott, we were proud to take an active part in the ceremonies. The Water Department personnel in its entirety and with its spirit of accomplishment not only kept up its work schedule, but generously gave of their own time to design, construct, decorate and enter a float for the parade on which was shown 100 years of progress in the towns water system as well as the old and new types of equipment, and for which they were awarded first prize in the Float Division.

The passing of William H. Burnett, who retired in 1951, is deeply mourned by this department.

We wish to thank the employees of this department for their continued team work spirit, and all other town departments for the spirit of cooperation shown throughout the year.

The details of water pipe construction follows and the cost of same can be found under the Town Accountant's Report.

Size	Wrought Iron	Cast Iron	Cement Lined	Brass	Total

Board of Park Commissioners

ROLAND C. BOOMA, *Chairman*

FREDERICK C. BURK

LEWIS H. BERRY, *Secretary*

As we write this report, we feel a bit proud that we were able to participate in the Centennial events and that the various parks were used for so many functions. We wish to congratulate the General Committee for a good job well done.

We wish to record with pride the display of tulips and the annual flower beds made possible only through the generosity of the Townspeople.

All of the playing fields were taxed to capacity through the expanded program of the School department athletic program.

The Phillips Park Improvement Association met throughout the season on the second Thursday of each month at the Field House. Permission has been granted for a troop of Boy Scouts to meet weekly until the new Stanley school addition is completed, in one of the Field House rooms. We feel that this is a forward step to have a diversified use of our facilities by civic groups.

The Dutch Elm tabulation is as follows:

Elms removed, 33 — by Town crew, 23, by private contractors, 10.

New insects that appeared during the year were the clover mite and the European earwig.

We wish to thank Joseph L. Stevens Post, Veterans of Foreign Wars for their continued generosity by donating a moving picture projector for the use of the High School athletic teams.

As the year closed, Mr. Benjamin T. M. Johansen chose to retire. He has been with this department since 1944, doing an excellent job as a gardener and ornamental horticulturist.

Department of Veterans' Services

NEWTON S. COURTNEY, *Director*

Number of applications received for veterans' benefits	42
Number of applications approved	19
(Spanish War, 1 - WW I, 1 and WW II, 17)	
Number of individuals aided	52
Number of applications for War Allowance approved	1

The services rendered veterans of all wars during the year were many and varied. All veterans of the Korean War being separated from active duty are urged to visit this office to secure information as to rights and benefits under the Korean "GI Bill".

Town of Swampscott

Highway Department

TIMOTHY J. RYAN, *Surveyor*

<i>Year</i>	<i>Employees</i>	<i>Budget</i>	<i>Expenditures</i>
1948	26	\$132,167.20	\$132,167.20
1949	26	118,209.40	110,803.33
1950	26	108,490.68	102,563.64
1951	26	111,584.91	109,415.81
1952	26	131,579.79	118,715.64

During the current year the Highway Department oiled and seal coated many sections of streets, cleaned and flushed all drains, and repaired a number of the old sidewalks.

New sidewalks were constructed during the year under the Continuous Sidewalk Act on the following streets: Bradlee Avenue, Bellevue Road, Lodge Road, Francis Road, Palmer Avenue, Bond Street, Morton Road and Atlantic Avenue.

In accordance with articles in the Warrant adopted by the Town Meeting, the following accepted streets were constructed: Eureka Avenue, Deer Cove Road, Linden Avenue, Pitman Road, Stanley Road, Lewis Road, Brewster Terrace, Blodgett Avenue, Reid Terrace, Ellis Terrace and Bates Road from Muriel Road to the far side of Charlotte Road.

A section of Humphrey Street extending from Commonwealth Avenue to Glen Road was resurfaced. Also a part of Essex Street from the Bridge to Stetson Avenue was resurfaced under Chapter 90 of the General Laws and the decking on Essex Street and Danvers Road Bridge was repaired.

A new drain was laid on Allen Road to Hawthorne Road and Sumner Road.

In accordance with custom over a period of years, the department cleaned the beaches daily during the summer months.

Throughout the year, summer and winter, your Highway Department has endeavored to keep the 46 miles of highways and sidewalks in good condition. The department has also cooperated with all Town Departments loaning its men and equipment.

It is again recommended that urgent consideration be given to the reconstruction of Puritan Road. This is a major project and should be done by contract under a bond issue.

Housing Authority

DAVID F. DOHERTY, *Chairman*

THOMAS W. DUNCAN

JOHN A. MASSEY

PHILIP W. DUNPHY

The Swampscott Housing Authority is a separate corporation from the Town, although it is required to give the Board of Selectmen a copy of the annual report and our members are elected at the Annual Town Election with exception of one member who is appointed for a five-year term by the Commonwealth of Massachusetts. Appointments to fill unexpired terms created by resignations, etc. are made jointly with approval of both Board of Selectmen and the Housing Authority.

The Swampscott Project consists of 9 multiple buildings, 4 apartments in each building for a total of 36 apartments. There are 20-4 room and 16-5 room apartments. There are 36 individual cellars, heating units and open air parking spaces. Each apartment is equipped with an electric range and refrigerator.

There are 71 adults and 77 children making a total of 148 persons currently housed in the Swampscott Project.

Preference is given to honorably discharged veterans of World War II and Korean War in the low income group with children, secondary preference to veterans of other wars who are in need of housing. It is the policy of the Swampscott Housing Authority to select tenants who are in need of housing and their ability to pay the required rent. Rent does not include heating or electricity.

Rents and Income Limits in relationship to the tenant's net family income:

- a. 18% for families with one minor dependent
- *b. 16% for families with two minor dependents
- c. 14% for families with three or more minor dependents

*this Authority was instrumental in establishing an additional category of 16% for families with two children in order to have a more realistic rent in view of present day cost of living conditions.

Admission Limits:

- a. families with one minor dependent \$3,250.00
- b. families with two minor dependents 3,375.00
- c. families with three or more minor dependents 3,500.00

Continued Occupancy Limits:

- a. families with one minor dependent \$3,750.00
- b. families with two minor dependents 3,875.00
- c. families with three or more minor dependents 4,000.00

The average monthly rental during the year 1952 amounted to \$38.50 per month.

Veterans Housing Projects are tax exempt but the Swampscott Housing Authority paid to the Town of Swampscott the sum of \$1,234.67 in lieu of taxes,

Town of Swampscott

this amount represents five percent of the total rents collected from July 1950, date of occupancy, through December 1951. Said amount is far greater than the taxes paid on vacant land by previous owners. We expect to make the 1952 payment in the near future subject to the approval of the State Housing Board.

Whenever possible local men have been employed in the maintenance of project and also all purchases of supplies have been made through local dealers.

The Swampscott Housing Authority regretted the resignation of Walter F. Livermore, board member and former clerk of works.

In conclusion we believe that the Project is a credit to the Town of Swampscott and worthy of the veterans who occupy them in recognition of their services to our Country.

Board of Public Welfare

FRED M. SEATON, *Chairman*

PAUL C. CURTIS

NORBERT A. ULMAN

The past year has seen a decrease in requests for General Relief, the establishment of the Disability Assistance program and a further increase in Old Age Assistance expenditures.

The Old Age Assistance Lien Law went into effect on January 1, 1952 and the town is now assured of reimbursement for assistance granted from that date from recipients owning real estate.

A Social Worker was added to our staff in April and we are glad to report that all salaries are now subject to reimbursement by the Federal Government at approximately 50 percent.

Effective October 1, 1952 Federal reimbursements for assistance were increased by approximately \$5.00 per case monthly and this will result in a saving of approximately \$10,000 per year to the town.

CASES AIDED IN 1952

	Cases	Persons
General Relief	41	75
Old Age Assistance	212	212
Disability Assistance	8	8
Aid to Dependent Children	12	32

The following is a summary of the financial operations of the department for 1952.

World War II Memorial Fund

ERNEST MANCHIN, *Chairman*

BENJAMIN GOLDBERG, *Secretary*

CLEMENT E. KENNEDY

PHILIP H. STAFFORD

DAVID F. DOHERTY

JOHN R. COOPER

ALBERT F. PASHBY

The Board of Trustees submits its third annual report.

The outstanding event of the year was the receipt of a \$100.00 contribution from Mr. Nathan Cohen.

For the second year a \$250.00 scholarship was awarded. This year the award was made to Leslie K. Hamill who entered Bowdoin College.

All but \$100.00 of the Fund's money, on deposit at the Provident Institution for Savings, was transferred to the Salem Savings Bank, Salem, Massachusetts.

The Financial report of the Fund follows:

Salem Five Cents Savings Bank, balance December 31, 1952	\$ 5,291.46
Salem Savings Bank, balance December 31, 1952	4,926.60
Provident Institution for Savings, balance December 31, 1952	100.00
Total balance in the Fund	\$10,318.06
The total of the scholarships awarded is	\$500.00

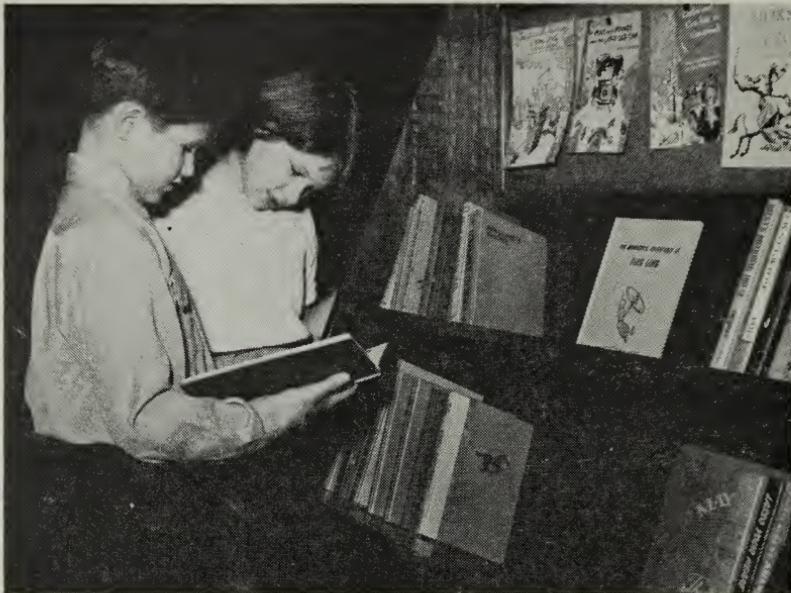

At the annual meeting of the Trustees, which was held at the New Ocean House, October 24, 1952, the future of the Fund was considered from all possible angles. A number of suggestions, dealing with the objectives of the Fund, the past progress, and the maintaining of a sound financial position, were discussed thoroughly.

It was recommended that further action, in securing amendment to Chapter 119 of the Acts of 1949, the law which permitted the establishment of the Fund, be considered at some later date.

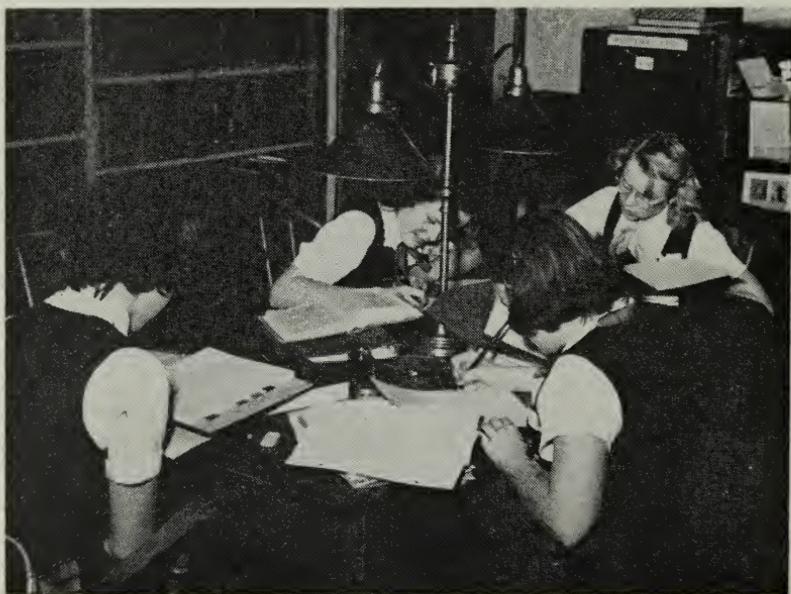

Ernest Manchin was elected Chairman and Benjamin Goldberg was elected Secretary for the coming year.

The Swampscott World War II Memorial Fund welcomes gifts and bequests. It is suggested that, those contemplating gifts or bequests confer with the Chairman or any Trustee of the Fund. A letter received from the U. S. Treasury Department states "Contributions made to the fund are deductible by the donors in computing their taxable net income, etc."

EDITH N. SNOW, *Librarian*

COMMUNITY INTERESTS

Research for the Centennial caused intensive use of our local history during the first half of the year. The rather small collection has been indexed more fully. Gifts have enlarged our resources somewhat. Various citizens loaned rare views and early books of local interest for Centennial Week.

The gift of display racks from the Centennial Committee made possible three small exhibits of drawings and paintings by Swampscott artists — Anna Morse, Prudence W. Potter, Lydia N. Breed. These brought new visitors to the Library, and interested our regular borrowers. The building is too small to make this a permanent feature though there is much more material available in town.

Twenty-one LP records were added to the small but still appreciated lending collection of 78 rpm albums. About 70 works are now available. A man anticipating the Boston Symphony concerts has been able so far to get one work from each program! We still lack a player, however.

The Community Calendar serves increasing numbers of clubs in this second year of its existence. A Great Books group, now in its fourth year, meets here twice a month. Moody's Industrials semi-weekly service will be available for at least another year for business people who may not have a chance to use it elsewhere during the day. The League of Women Voters has both asked for and supplied information to meet the keener interest in government.

WORK WITH CHILDREN

Mrs. Robert Linden resigned as Children's Librarian, to be succeeded by Rhoda J. Thomas, a graduate of the University of North Carolina Library School. In the interim, Mrs. Thomas Condon managed the room and summer reading club. A concluding party for the 55 most active readers was held on the library grounds. Ralph Russell told them about circus life.

The addition of an enlarged charging desk during the summer has helped enormously in handling the after-school rush which is an inescapable feature of work with children.

BUILDING

Three more trees were planted in the front yard, the gift of the Tuesday Garden Club. Extensive repairs were made to dry wells and conductor pipes to obviate leaks in the basement. The return book box was enlarged and relocated inside the front door by our resourceful janitor, Angelo Losano.

USE

"Reading remains as one of the few personal individual activities whereby we can approach our full stature of mind and spirit." Circulation figures are an

Not by books alone —

inadequate description of services rendered to individuals but the Library lent 91,969 volumes. 3,950 people in town have library cards. A more complete statistics leaflet may be obtained at the Library desk.

FUTURE

Our work is bound to be circumscribed until we can expand the building, making more room for modern activities characteristic of libraries in live communities. Such expansion will also make more efficient working procedures possible.

THANKS

To the people who gave books and magazines; to the Cottage Gardeners who held half their flower show here; to the many Garden Club members (and others) who brought flowers for the main desk; to the Lynn Item and Telegram-News for telling the town about our endeavors.

The Clarke School Building Committee is pleased to submit this report to the townspeople. Although the building has actually been in use since April, 1952, several matters of importance have delayed our transferring it to the School Department. All work is now nearly completed and we wish to take this opportunity to express our sincere appreciation to all who have worked and cooperated with us in giving to our Town a school fully equipped to meet the needs of modern education. We consider the building a fitting addition to the Swampscott School System and are proud that it was our privilege to build it.

SCHOOL CALENDAR 1952

Winter term begins	Monday, January 5
Winter term closes	Friday, February 20
Spring term begins	Monday, March 2
Spring term closes	Friday, April 17
Summer term begins	Monday, April 27
Fall term begins	Wednesday, September 9

This is our annual report to the citizens of Swampscott, and we would like to call your attention to the report of the Superintendent of Schools as submitted to us. We feel that there is not much that we can add, but we would ask you to pay particular notice to two paragraphs in his report. The first section we would ask you to note has to do with future enrollments and available classroom space. This has been, and still is, of great concern to your committee, and we cannot emphasize enough the seriousness of this condition. Secondly, the section on the condition of our classrooms is worthy of your consideration. The committee has been in agreement for some time that we should have a program of classroom modernization, and we are happy that we were able to make such an excellent start this past year.

Our thanks go to the Clarke School Building Committee for a job well done. We were able to operate this new building on April 21, thus relieving a little of the overcrowded condition of our system, but the situation still remains critical.

Work on the Stanley School addition will soon be underway, and we have hopes that this desperately needed building will progress rapidly.

We would like to welcome to Swampscott our new Superintendent of Schools, John A. Whitehead, who comes to us after successful terms as Superintendent of Schools in Duxbury and Canton, Mass.

Town of Swampscott

To Frank L. Mansur, who retired as Superintendent of Schools on April 30 after 21 years of outstanding accomplishments, go the best wishes of the committee and all members of the system.

Again, our thanks to the parents for their patience and understanding — and also to the entire personnel of the system our thanks and appreciation for their cooperation and assistance.

REPORT OF SUPERINTENDENT OF SCHOOLS

To the Swampscott School Committee,

Miss Doyle and Gentlemen:

It is my privilege to present my first annual report as Superintendent of the Swampscott public schools.

It is a very pleasant experience to come into a system that over the years has developed fine schools both in the personnel that teaches and maintains them, and in a community that is aware of the current problems to the extent that it is willing to support good schools and provides for the expansion that is necessary everywhere at this time. The citizens of Swampscott have been fortunate in the leadership of the men and women who have served on its school committee, and the fine planning and administration of Mr. Frank Mansur.

During the last year greatest emphasis has been placed on getting competent teachers, finding additional classroom space, improving our school plant, and offering better education to our pupils.

A new school opens

The opening of the new Clarke School in April relieves a badly overcrowded situation at the Hadley School and eliminated the two-platoon system there. This building was organized and functioning smoothly before Mr. Mansur left. It is under the supervision of Miss Madelaine Murphy, the principal, and an excellent staff of teachers. It has proved to be most satisfactory to pupils and teachers. The all-purpose room has been used enthusiastically by school and community groups alike, and is a very important addition to our school facilities.

Platoons are still with us

The Stanley School platoon was extended to include the kindergarten and first three grades as overcrowding in that district became more burdensome. We are eagerly looking forward to the day when the addition will be available for our use. With these classrooms it is hoped that we can arrange our school districts in such a way that not as many excessively large classes will be necessary during the interval until the secondary school problem is solved — releasing more classrooms for elementary use.

The High School is the problem

With the new Stanley and Clarke Schools completed, there will be enough elementary classrooms providing the space now used in the Hadley can be kept. Enrollments of lower grades indicate that this cannot be done. Based on our present population, the enrollment for this year in Grades seven and eight and the next five years is 296, 335, 332, 341, 344 and 352. This means that at least two elemen-

tary classes will be without rooms because they will be needed for the Junior High School.

The situation at the High School is worse. Enrollment for this year and the following five years is 513, 577, 664, 720, 750 and 797. If grade nine is moved back to the Hadley to make room, then nearly all elementary grades will be without classrooms. It is obvious that immediate action is needed or platoons will be forced upon many of our children in the Hadley elementary, Junior High or High Schools.

The platoon system deprives the children of their proper share of education. At best it is an emergency measure when unforeseen changes in enrollment develop. Since it is obvious that our present secondary schools will soon not be large enough to accommodate our pupils on a full session basis, I urgently recommend that serious planning to meet the problem start immediately.

A new program is successful

Last year as an experiment, instructors from the Audubon Society visited one fifth grade each month for illustrated talks on nature study. This experiment was financed jointly by the School Department and the Swampscott Garden Club. The experiment was such a huge success that all fifth grades now have the privilege of this course. The youngsters are not only fascinated by the talk at the time but many interests are encouraged so that the program is carried out by teachers and pupils throughout the month.

Guidance serves many

After a full year's experience with a fulltime Director of Guidance, it is evident that these services have made a definite contribution in the lives of many of our pupils and in the education of all pupils. A definite plan of pupil testing has been adopted in all the grades as an aid in teaching as well as in placing pupils in the proper classes. Often tests are the basis for giving intelligent advice concerning future plans. Many individuals with serious adjustment problems have been helped by this program through school and job placement and individual counseling.

Help for those who need it

The opening of the Clarke School made it necessary that all teachers be assigned regular classes and that building assistants be eliminated for the time being. A building assistant for each elementary school was employed for this school year. This teacher does group work with youngsters that need help beyond that which can be given by the regular teachers in the classroom. Under this plan it is possible to give special attention to many children who otherwise might find it impossible to keep up with the regular work of their grade.

More pupils need more teachers

Additional pupils have made it necessary to increase the teaching force recently so that for the first time there are more than one hundred on the staff of the Swampscott schools. Up to the present time, the shortage of teachers in the elementary field has not adversely affected the teaching done in Swampscott. Our salaries, working conditions, and location in the metropolitan area have put us in a favorable position for getting competent teachers.

Town of Swampscott

Sanitary facilities are better

The toilets in the Machon School were improved during the year with the elimination of slate and the installation of modern urinals. New flushing arrangements, new painting, and a new floor finish have improved sanitary conditions considerably there.

During the summer the elementary classrooms in the Junior High School were all grouped on the third floor to be free from disturbance by the Junior High routines. New toilets were installed for their use and some work was done on basement toilets as well.

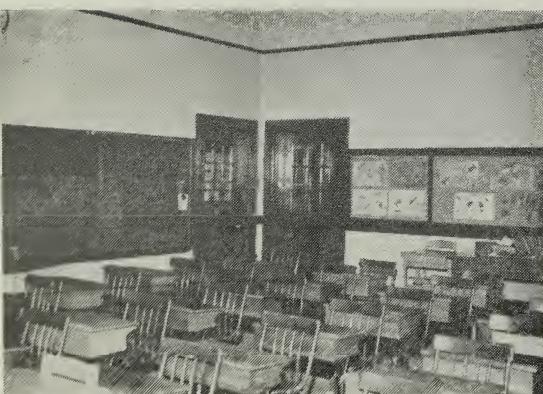

In the fall, the town plumbing inspector, Mr. James McCarriston, visited all schools for the purpose of informing us what needed to be done to comply fully with the recent state laws. All recommendations but one have been carried out at the present time. When parts arrive to complete this work, plumbing and sanitary facilities will all meet state and town requirements.

Redecorating takes place gradually

A rather extensive pointing and waterproofing job was done on portions of the Hadley and High Schools during the summer. This has stopped leaks which have made it impossible to repair and redecorate some classrooms.

Ten classrooms were completely painted during the year, and in four rooms antiquated furniture was removed and replaced with modern movable furniture. Four rooms had fluorescent lights installed to replace inadequate lights that had been in the rooms for many years. As rooms are decorated, the dark varnished woodwork is being painted with lighter colors and chalkboards are done in green. This treatment brightens the room considerably thereby reducing eyestrain and fatigue as well as cutting down on the amount of time lights are used.

Our program of plant modernization is being done gradually in order to avoid heavy tax burdens in any one year. At the rate of progress of the last two years, all rooms will soon be light, attractive and cheerful places for our children to work and study. The two illustrations included show the changes that have taken place in four rooms at the Machon School.

Before

After

More pupils are entering High School

Mr. James Dunn has submitted the following report concerning the High School and its problems in 1952:

"During the past summer and fall it has become increasingly apparent that our most immediate problem in the high school is that of classroom space. At the present time our enrollment is 515. We are using all available classrooms during nearly every period of each day. In order to provide an additional classroom, it was necessary during the summer to divide Room 204 into two small classrooms, now designated as 204 and 205. This is a makeshift plan and means that neither one is a desirable classroom. We also find it necessary to make use of the cafeteria from time to time for class use, class meetings and other special groups. We shall doubtless have to make much more use of this area another year. It is not conducive to class teaching because of the noise factor. However undesirable it may be, we shall be compelled to make use of it for study hall purposes next year.

Last June we graduated 110 pupils. This year our freshman class has a membership of 165. A conservative estimate of our 1953-1954 enrollment is 580. This is pretty close to the ceiling capacity of our school. I fail to see how we can operate on one session when we pass 600. The statistics for grades 6, 7 and 8 offer no hope that we will be able to carry on our present program for more than two years. In order to gain much needed classroom space for next fall, we have suggested that the band room be located in a supply room off the shop. If necessary alterations are made, including sound-proofing, we shall have the present band room, Room 209, for classroom purposes, with a capacity of 36-40 students. With the addition of movable furniture, we can increase other room seating capacity.

It seems to me that we must face the fact that our high school will be heavily populated, probably close to 800 within 5 years, if we continue with a four-year school. Should we return to a three-year school, we would need to figure on room and facilities for 600, which we presently lack.

The non-college student has needs

Whereas an unusually high percentage of our students enroll in the academic or college preparatory program, there are indications that the situation will change with the times and that high school will provide terminal education for more students. Parents must of necessity appraise critically the wisdom of encouraging their youngsters to attend senior colleges unless there is evidence of real academic promise.

A liberal arts education, providing for no specific vocational competence, is indeed an expensive luxury, when one considers that the cost of a four-year college course today ranges from \$6,000 to \$8,000.

Therefore, I believe, that there must be considerable thought given to the areas of Industrial Arts, Home Economics and Business. If we are going to provide for the needs of practically all of the children of all of the people, we must look forward to expansion of offerings in these areas. I hope that the school committee will find it feasible to expand our offerings in the shop. We have made an excellent start in extending the Home Economics facilities. Our business teachers are constantly evaluating their program. That the work in that department is sound and

Town of Swampscoot

progressive, is attested by the fact that officials from other schools find our curriculum and practices worthy of their attention. I include the following observations from Miss O'Leary, Head of the Business Department:

"We are gratified that office managers where our graduates are employed tell us that they compare favorably in preparation with students from larger schools in the greater Boston area which enjoy an excellent reputation for the work of their business departments.

"More important than technical skills are integrity, loyalty, cooperation and the ability to get on well with others. These qualities we try always to foster in our students.

"Careful counseling with individuals and a follow-up for at least three years after graduation help in part, at least, to make our graduates happy, effective and reasonably well adjusted to their situations in the business world."

Our graduates continue their education

Graduates of the Class of 1952 are attending 40 senior and junior colleges. Many others are studying in secretarial, nurses', business and technical schools. Scholarships totaling more than \$4,000 were awarded to members of this class by the following: Yale, Brown, Northeastern, Oberlin, Bates, Green Mountain Junior College, William and Mary, Salem and Lynn Hospital Nurses' Schools.

The allotment of money in 1952

In 1952 the School Department received and expended the following amounts:

Appropriation		\$537,644.00
Refunds		59.25
		\$537,703.25

Expenditures:

General Control	\$ 12,977.88
Instructional Service	380,228.46
Operation of Plants	73,936.76
Maintenance	41,955.67
Capital Outlay	23,822.99
Auxiliary Agencies	2,729.21
Warrants Payable	2,038.32
	537,689.29

Unexpended Balance	\$ 13.96
--------------------	----------

Credits to the Department:

General Receipts	522.49
Tuition Received — General	1,026.75
State Refund, Trade and Vocational Schools	839.36
State Refund, General School Fund	24,582.71
	\$26,971.31

Net Cost of Schools	\$510,717.98
---------------------	--------------

It might be of interest to note the proportion of school money spent on various actions. The graphs below are typical of the use of money year after year except that repairs are higher than usual because of the extensive work done in plumbing and painting.

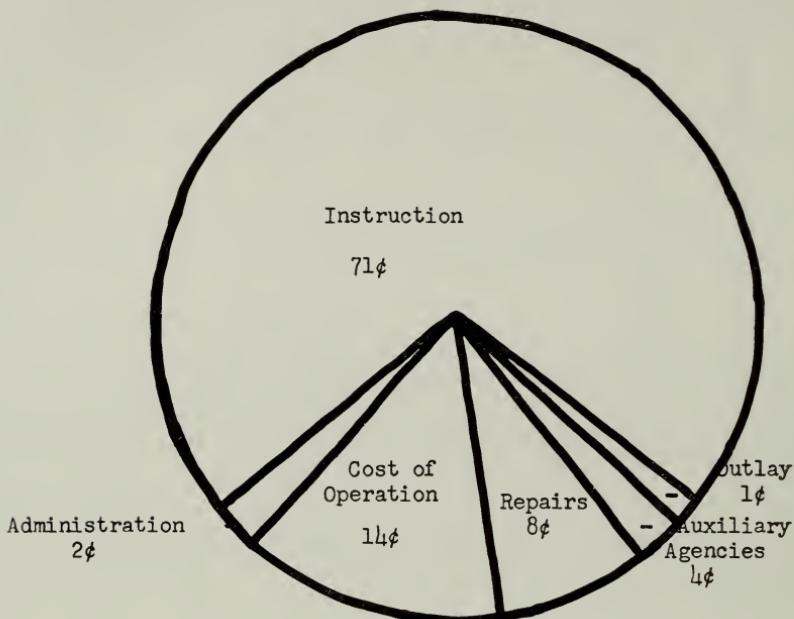

Expenditures 1952

Instructional Salaries -	\$ 351,578
Janitors' Salaries -	\$ 48,379
Repairs -	\$ 43,865
Instructional Supplies -	\$ 31,017
Water, Light and Fuel -	\$ 18,627
Administration -	\$ 13,001
Books -	\$ 10,447
Janitor Supplies and Telephone -	\$ 7,146
Vocational Education -	\$ 3,387
Health -	\$ 3,306
Outlay -	\$ 2,729
Insurance -	\$ 2,590
Transportation -	\$ 1,617

Town of Swampscott

The School Dollar

1952

The bar graph on the opposite page again illustrates the fact that salaries are the major items in the school budget. Of the entire amount appropriated in any year, fixed costs represent about 87 percent of the budget, only 13 percent is discretionary after salaries are set and the number of teachers ascertained. Out of this 13 percent must come all books, supplies, repairs and outlays.

During the next few years our major problems will be concerned with school space as indicated above. It is hoped that the program of redecorating some rooms can continue since there are still some that are badly in need of repair. Several areas in the curriculum are in the process of being restudied in order to determine how our offerings can be improved, and it is expected that further reports will deal with this phase of our work.

Costs increase are still a problem

The question of finances is still of great concern. School costs are largely determined by two factors — salary level and number of pupils per teacher; i.e., the load carried by each teacher. Our salary level is a competitive one with nearly all towns but slightly lower than most cities. Our teacher load is average. Through changing elementary school districts in the town, some additional efficiency of teacher use may be gained. This represents the best possibility of keeping per pupil costs on or near their present levels if material costs continue to increase.

JOHN A. WHITEHEAD
